Alliance Wellness Clinic Now Operated by Horowitz Integrated Services

Minnesota's Leader in Behavioral Health Care Expands Access to Life-Saving Opioid Treatment and Integrated Care

BLOOMINGTON, MN (January 27th, 2026) - Horowitz Integrated Services (HIS) is proud to announce that Alliance Wellness Clinic, Inc., an industry-leading Opioid Treatment Program (OTP) based in Bloomington, Minnesota, is now operated by Horowitz Integrated Services. This transition marks an important step forward in advancing opioid treatment, expanding access to evidence-based care, and reducing stigma for individuals with opioid use disorder (OUD) and co-occurring conditions across Minnesota.

Through this structure, Horowitz Integrated Services is providing leadership, operational management, and clinical oversight of Alliance Wellness Clinic, ensuring continuity of care while strengthening long-term access, innovation, and outcomes. In the coming months, opioid treatment program (OTP) services will transition into Horowitz Integrated Services' broader behavioral healthcare portfolio.

"Operating Alliance Wellness Clinic allows us to immediately strengthen access to critical services while maintaining stability for patients and partners," said **Drew Horowitz, MA, LADC, LPCC, CIP, Chief Executive Officer of Horowitz Integrated Services.** *"By expanding access to evidence-based care and treating opioid use disorder as the medical condition it is, we are reducing stigma, improving outcomes, and ensuring individuals receive industry-leading care with dignity, respect, and consistency."*

Opened in 2017, Alliance Wellness Clinic has been a trusted provider of compassionate, evidence-based opioid use disorder treatment, offering personalized treatment plans, medication-assisted treatment, and comprehensive support services. Under the operation of Horowitz Integrated Services, the clinic continues this mission with expanded operational infrastructure, coordinated care delivery, and increased clinical standards.

Continuity of care remains the top priority. Alliance Wellness Clinic's experienced medical and clinical team will continue delivering high-quality care, while Horowitz Integrated Services invests in staff support, service enhancements, and strategic growth. Patients and families can expect uninterrupted services and expanded care, supported by the leadership and resources of Horowitz Integrated Services.

Through Alliance Wellness Clinic, Horowitz Integrated Services continues to advance a comprehensive behavioral healthcare model that integrates clinical care with operational excellence. From opioid treatment and outpatient services to clinical interventions, recovery housing, payer contracting, credentialing, and revenue cycle management, HIS delivers solutions that support providers, patients, and communities, while actively working to eliminate stigma and expand understanding of opioid use disorder as a treatable medical condition.
