DirectConnect offers at-your-fingertips care for common conditions including strep throat, allergies, the stomach flu and much more through our live, confidential video consultation service. If you have a computer, smart phone or other mobile device, you have an appointment. How easy is that?'. A video player shows a person on a smartphone using the service. To the right, there's an 'EMERGENCY?' section with the text 'Go to the nearest emergency room, or call 911.' and a 'For Businesses' section with text about helping employees stay healthy. At the bottom right, a 'DirectConnect' section lists 'Basic Care' hours: 'Monday - Friday, 7 a.m. - 10 p.m.' and 'Saturday & Sunday, 10 a.m. - 4 p.m.'. A blue button labeled 'Start Your Visit' is highlighted with a red box and an arrow pointing to it.
