

Procedure and Policy Acknowledgement Page 2017-2018

As the parent/guardian of the child listed, it is indicated by the signature below that the procedures and policies listed in the student handbook (found under the "Resources" tab on each building web page and printed copies are available at building offices) have been read, are understood and will be followed during the 2017-2018 school year. In addition, all phone numbers and email addresses that have been provided to the school district (besides emergency contacts) will automatically be used to communicate with you via text, recorded voice calls, Canvas notifications or emails regarding emergencies, upcoming district/building events and/or announcements. At any time, you have the ability to opt-out of receiving these texts, calls or emails.

If I have any questions, comments or other input about the aforementioned information, I agree to contact my child's school building. My child's signature also indicates that he/she will abide by the procedures and policies listed in the student handbook.

In particular, please note that your signature indicates your acceptance and approval of the below procedures and policies:

- Field trip agreement
- Safe Schools Act/Student Code of Conduct
- School bus safety policy
- Student attendance policy
- Student technology usage agreement
- Photo release:

If you prefer **NOT** to have your child's photo/name included in directory information, please indicate that with your initials here: _____. This means that your child will NOT appear in the yearbook, will NOT be included in any news media stories (perfect attendance, honor roll, etc.), will NOT be included in any social media posts, among other items. Contact your child's school building if you have questions.)
