

Announcement to Ottawa Tennis Club Members

Premier Shockwave Clinic is pleased to introduce two additional members of our staff. We welcome Snehalkumar Prajapati, who will oversee our Physiotherapy Department.

Snehalkumar will be providing SoftWave Therapy treatments for members of the Ottawa Tennis Club and will also be available upon request to provide physiotherapy services to any member who requests them.

We are also proud to introduce Dr. Solomon Sogbein, who will be leading our Urology Department. Dr. Sogbein will also be available for members of the Ottawa Tennis Club, with consultations and treatments offered at our clinic location only.
