## Leader in Training Program

OTLBC offers three LIT sessions throughout the summer. Each session consists of three consecutive weeks.

### Included Activities

- Leadership development, problem-solving skills, practical information in dealing with campers on a day-to-day basis
- Introduction to POS system in the Courtside Cafe
- Discussion - customer service and the hospitality industry
- On-court instruction of how to run safe and effective tennis drills
- Participation in all camp activities being mentored by camp staff
- Assisting in the organization of pre- and post-camp activities/supervision
- Participating in pool activities
- Assisting equipment set up and take down
- And so much more!

### Orientation

The orientation will provide LIT's with all materials, assignments, work assignments and evaluation forms that will be used throughout their training to provide a strong understanding of expectations.
