

The Learning Prep School Wellness Committee is back and looking for a parent volunteer! It consists of LPS staff members, parents and students. The goal of the committee is to provide a school environment that promotes children's health, well-being and the ability to learn by supporting and teaching healthy eating, physical awareness and activity. I look forward to and value your input in how best to develop and implement a school-wide nutrition and fitness education program that engages students, parents and staff to maintain lifelong habits of healthy eating and physical activity.

We will be hosting four meetings this school year. The meeting schedule is as follows:

Tuesday, October 26th from 9:30 – 10:00

Tuesday, December 14th from 9:30 – 10:00

Tuesday, February 8th from 9:30 – 10:00

Tuesday, April 5th from 9:30 – 10:00
