

How to remotely connect to Ancestry.

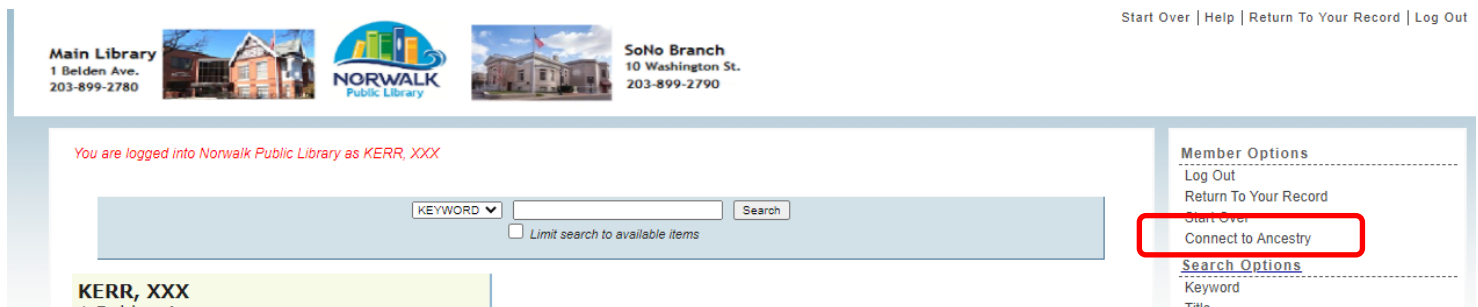

1. In any browser, go to catalog.norwalklib.org and in the upper right hand corner, click [Login](#).

2. On the [Login](#) screen, type in your last name in the top box and your library barcode in the bottom box, then click submit.

3. On the right hand rail, click [Connect to Ancestry](#)

4. On the left hand side, click the Ancestry logo.
