

Our guest speakers from Second Chance Tucson (SCT) will be Charles Pyle, SCT Executive Director and Virginia Mireles who will share her story of re-entry after incarceration. After cycling in and out of the juvenile court system and Arizona Department of Corrections due to an unrelenting need to feed the addiction, Virginia found Jesus and recovery in the prison she had given so much of her adult life to. Today she has a thriving career in sales, is working her way towards her second associate's degree, is raising her granddaughter and shares her story freely to help change the stigma that surrounds felons and to shine a light on the fact that second chances matter and that we do recover.
