

## Join VICA Leadership

Have you considered a leadership role at VICA?  
Consider being a Chair or Co-Chair of one of VICA's Policy Committees, or on the VICA Board of Directors.

### What does it mean to be a Chair/Co-Chair?

- Depending on the committee, you are asked to attend 2 – 12 committee meetings a year (some committees meet twice a year, quarterly, bimonthly or monthly)
- You may be required to chair a few of the meetings (there is a co-chair orientation every year in order to assist our committees on this)
- You will be asked to contact incoming new members that are interested in the committee on occasion, to welcome them and invite them to the next committee.
- You are asked to participate in agenda setting with the staff (may require a couple of phone calls or emails each month)
- You may be asked to speak on an issue that you have more expertise in than another co-chair or staff.
- You may be asked to testify on behalf of VICA in front of the county supervisors, city hall, etc. if you are available

If you are interested in participating on the VICA Board of Directors for 2018, please take a look at the Board Guidelines which gives you the requirements of a VICA Board Member. If you feel that you can comply with the Board Guidelines, please mark the box below to say you are interested.

Does this sound like a good fit for you? If you are interested in a leadership position in one of the committee's below, please check next to the committee you are interested in and fill out the contact information below.

Please note, that we are not always able to give everyone a leadership role, but we do try to fit in as many folks as possible.

Because 2018 is coming quickly and the nominating committee has started to work on the board for 2018, we do ask that you send in your interest form, no later than Friday, August 25.
