

Would you like to host or sponsor a VICA Committee in 2020?

VICA is looking for members to **host** or **sponsor** committee meetings for the upcoming year.

- **Hosts:** If your company can accommodate **between 20 and 40 people comfortably**, we may have a committee for you. As a host you will have an opportunity to say a few words of welcome and give members the chance to visit your site. You will also be listed on each agenda as the host and table cards will be provided at the meeting.
- **Sponsors:** If you have the financial wherewithal, but not a site, consider sponsoring the meeting at VICA. Please see the costs of sponsorships below. Your company would still get to welcome everyone at the meeting and would have their logo on the agendas and at the meeting.

If you are interested, please see the committee meetings that we have available for 2020, along with information you will need. **The host/sponsorships below would be for the entire year.** If you can't sponsor all of the meetings or the year, but may want to sponsor 1 or two - we can do that at the VICA Office. If you are hosting, we do need that to be for the entire year.

Please call Jessica at the VICA office (818) 817-0545 to discuss.
