### AUTHORIZATION

☐ **I am uninsured.** As part of the FFCRA, Paycheck Protection Program and Health Care Enhancement Act, and CARES Act, the U.S. Department of Health and Human Services (HHS) will provide claims reimbursement to health care providers for testing uninsured individuals for COVID-19 and treating uninsured individuals with a COVID-19 diagnosis. I do NOT have health care coverage (individual, employer sponsored, Medicare, or Medicaid). I agree to provide accurate Driver's License information and address. If I enroll in any insurance plan, whether commercial, Medicaid or Medicare and the effective date is backdated to cover this visit, I agree to notify UDL of such coverage.

☐ **I am insured** I have provided accurate billing information regarding my healthcare coverage.

☐ **I am uninsured and do not qualify for FFCRA**, hereby authorize collection of payment for all charges as indicated above. Charges may not exceed the amount listed above in the "AUTHORIZED AMOUNT" field. I understand this is only for up to this amount during the time period of "DATES OF CHARGES" referenced above. If additional charges are going to be authorized a new form will have to be completed. No other payer will reimburse for COVID-19 testing and/or treatment/care. My visit today is for COVID-19 symptoms, known exposure or suspected exposure. Any charges incurred that are not covered by this program are my financial responsibility. I authorize UDL (Universal Diagnostic Laboratories) to keep my credit or debit card on file and to charge my card for amounts determined by HRSA/Medicare to be my responsibility, or if my claim is denied, all amounts that UDL (Universal Diagnostic Laboratories) is authorized by law to bill me. I assign my insurance benefits to the provider listed above. I desire to have Covid-19 test personally and release UDL of all liabilities. I understand this agreement is valid for one year and will automatically renew annually unless this authorization is cancelled through written notice to UDL (Universal Diagnostic Laboratories).

## **Travel, Sick days, Covid-19 and Quarantine FAQ**

When to quarantine. When to come to school.

### ***We're traveling out of state. Do my children need to quarantine?***

If your child is **fully vaccinated** against COVID-19, they can travel safely within the United States without the need to test or quarantine. Monitor for symptoms. Proof of vaccination is required for return to campus.

If your child is **not fully vaccinated** against COVID-19, get a Covid PCR test 3-5 days after travel and self-quarantine a minimum of 7 days. If you choose not to test, your child must stay home and self-quarantine for 10 days. If no symptoms present themselves, your child may return to campus on Day 11.

### ***My child isn't feeling well. What should I do?***

Keep your child home. Parent/guardian is instructed to consult a medical provider for further evaluation and COVID-19 testing. Your child may return to campus after proof of a Negative Covid PCR test, improved symptoms and fever free without the use of fever reducers for 24 hours.

### ***My child falls ill at school. What happens next?***

Child is sent home. Parent/guardian is instructed to consult a medical provider for further evaluation and COVID-19 testing. The child may return to campus after proof of a Negative Covid PCR test, improved symptoms and fever free without the use of fever reducers for 24 hours.

### ***My child was exposed to a COVID-19 positive person at school or off campus. Now what?***

Children who are **fully vaccinated** against COVID-19 who are a close contact to a confirmed case must test 3-5 days after exposure and are not required to quarantine provided they remain asymptomatic. Proof of vaccination and negative test results required.

Children who are **not fully vaccinated** against COVID-19 must self-quarantine. Quarantine may end after Day 7 for students who remain asymptomatic and PCR test on/after Day 5 from date of last exposure is negative. Without testing, the child must stay home for a full 10 days after exposure.

Exposures will be reviewed by the Pasadena Public Health Department to assess which persons need to quarantine including the possibility of quarantining all individuals in the same cohort or classroom.

***My child tested positive for COVID-19. What are my next steps?***

Please notify Maite Ramirez and Karen Conley. Keep your child home and isolated for at least 10 days from symptom onset/positive test. Await further instructions.

**Possible COVID-19 Symptoms**

People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness. Symptoms may appear 2-14 days after exposure to the virus. Anyone can have mild to severe symptoms. People with these symptoms may have COVID-19:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

This list does not include all possible symptoms. CDC will continue to update this list as we learn more about COVID-19. Older adults and people who have severe underlying medical conditions like heart or lung disease or diabetes seem to be at higher risk for developing more serious complications from COVID-19 illness.

# Blessed are the Children

## Annual Giving Campaign 2021-2022

### About St. Philip the Apostle School

For over 90 years, St. Philip the Apostle School has enriched the lives of boys and girls in our community through rigorous academic training and strong faith formation. St. Philip is one of the oldest and largest schools in the Archdiocese of Los Angeles. Its modern, urban campus is home to 530 students.

#### Supports Every Student

**Blessed are the Children** is an annual campaign that bridges the gap between tuition and the actual cost of a St. Philip education. Since its inception 29 years ago, **Blessed are the Children** has raised over \$5,000,000 for much needed support and tuition assistance.

#### Funds Go Back into the School

Over the last 29 years, **Blessed are the Children** has allowed St. Philip to:

- Grant more than \$1,500,000 in tuition assistance for our community's most deserving children
- Install leading edge technology to enrich and complement classroom learning: Wireless network, iPads, Chromebooks, mobile computer labs, and smart boards
- Hire teachers for the school's art, science, music, Spanish, library and technology programs
- Provide a LMFT art therapist, resource specialists for upper and lower grades and a health coordinator
- Fully fund co-curricular programs: academic decathlon, choir, drama, LEGO robotics, sports, speech & debate, etc.
- Open the new Fr. Joe Moniz Parish Children's Center with Transitional Kindergarten (TK)
- Over \$180,000 distributed every year in tuition assistance

#### St. Philip the Apostle School's tradition of excellence

St. Philip the Apostle School graduates matriculate to all of the area's outstanding Catholic high schools as well as many of the local prestigious private and public schools. While in high school, they establish themselves as campus and community leaders. Since 2010, seventeen St. Philip the Apostleg graduates have been high school valedictorians and many more have distinguished themselves as student body presidents, athletic captains, drama leads, and valued members of their school's campus liturgy and community service programs.

The education that St. Philip the Apostle graduates receive serves them well beyond high school. In recent years, St. Philip the Apostle graduates:

- Attend leading colleges and universities including Georgetown, Notre Dame, Harvard, Stanford, MIT, USC, LMU, UC (all campuses), CPSLO, USD, Purdue, Duke, Tulane, TCU, UT-Austin, Villanova, Northwestern, Santa Clara, West Point and more
- Pursue advanced degrees in medicine, law, education and business
- Discern religious and lay vocations in service of their church, country, and local communities

#### Mission Statement

St. Philip the Apostle School is a Catholic parish community dedicated to teaching, inspiring, and nurturing children.

# Blessed are the Children

## Catholic Education is a **GIFT**

### What is the True Cost of Catholic Education?

In the past, Catholic schools were staffed almost entirely by religious personnel, making tuition artificially low. Today, however, like most Catholic schools, St. Philip the Apostle School relies almost entirely on lay faculty and staff. The cost of benefits, salaries and expenses required to run the school far exceed tuition revenue.

The reality is that tuition covers only 80% of the school's costs, and individual tuition falls \$1,300 short of the actual cost of educating a student at St. Philip the Apostle School for the 2021-2022 school year.

### Why not just Raise Tuition?

As a ministry of St. Philip the Apostle Parish, the school is committed to educating all students, regardless of family income. By keeping tuition affordable, we are able to fulfill our mission.

### Our goal: \$300,000 and 100% Participation

This year, our goal is \$300,000 and 100% participation. Please help us continue to serve all the children of our community.

## Help us Bridge the Gap

### Simple Payment Options

#### Pay When You Can

Choose what makes sense for you: annual, semi-annual, quarterly or monthly.

#### Pay by Credit Card or Direct Debit

Use the parish online giving service, Faith Direct, to make your **Blessed are the Children** campaign payments. Choose credit card or direct deposit options.

#### Donate Online from the School Website

[www.school.stphiliptheapostle.org](http://www.school.stphiliptheapostle.org)

Checks are always accepted.

#### Employer's Matching Gift Program

You may be able to double your gift through your employer's matching gift program. Simply check with your employer and obtain a matching gift form.

**We welcome your tax deductible gift, no matter the size.**
