- Each morning students will use Google Hangouts/Meet to check in with their homeroom teacher.
- Students will then follow their daily schedule above.
- For classes in bold, labeled live, students will use Google Hangouts/Meet to join the class and meet with the teacher.
- For classes not in bold, students will have a recorded lesson from their teacher and assignments to work on.
- From 1:15 on students will work on homework, assignments, and projects as needed.
- We are still holding school, just remotely. Students are expected to follow their schedule.
- If you have any technical questions, please check in with the homeroom teacher. If you have any questions regarding a specific class, please contact that teacher.
