## Week 1 June 15-19

### 1st Classes 9:00-10:30

#### Incoming Kindergarten Art - Ms. Almquist

Come join this ocean themed summer art class created just for incoming Kindergarten. Teaching skills such as critical thinking, innovation, and visual literacy, this class will help kids learn to solve problems creatively, find new ways of expression, and become designers of their own words.

#### Fabric Fun/Time to Stitch - Mrs. Renn

In this class we will design and paint a pillow. We will batik, marble, tie dye, and make an ugly (or cute) doll that you will stitch up. We will also make a very special jewelry Christmas tree that you will treasure forever. You will definitely take home many "new" family heirlooms!

#### Disney Musical Theater - Mrs. Simone

If you love to perform, this is the class for you! We will be singing and dancing to songs from some of the best Disney musicals. There will be a "Magical" performance for friends and family on the last day of class.

#### Lego Engineering - Ms. Vera

Learn how Legos were designed and how to use building techniques to create better Lego projects. This includes longer bridges, higher towers, and bigger cranes. We will have contests and design challenges for everyone, as well as time to free build with an extensive collection of city, town, space, and friends Legos.

## 2nd Classes 10:45-12:15

### Incoming Kindergarten Math/Language Arts - Mrs. Ramos

Come join us for our Kindergarten Circus Class! Incoming Kindergarteners will learn essential skills that they will need when they start school in the fall. We will work on letter recognition and writing, while reading stories about the Circus. There's more.....number recognition and counting will also be part of this fun class. See you under the "Big Top".

### Animal Angels - Mrs. Simone

Do you love taking care of animals? Join this class, and you will be helping out animals in need. We will make beds, toys, and treats for animals at the Pasadena Humane Society. As a "special treat", an animal handler from the Humane Society will visit us with a therapy dog. Ruff Ruff!!

### All About Summer Art - Mrs. Renn

Do you just want art, art, and more art? Then this class is for you! We will make a fish sculpture, a jellyfish windsock, a seascape collage, a summer fun mobile, and more! Let's bring on summer!

### Monster Mania - Mrs. Cresta

Come face your fear! Join Mrs. Cresta on a wild adventure creating every kind of monster you can imagine! All of the activities will create a hands on learning environment with no limitations on a person's creativity. We will create monster masks, hats, toy figures, and monster stress balls! We will also enjoy some monster music and so much more! Come see what it's all about.

## Week 2 June 22-26

### 1st Classes 9:00-10:30

#### Grade 1 and 2 Language Arts "Magic Tree House" - Ms. Yanish

Jack and Annie are always up for a fun adventure. During our week together we will take a trip to the moon with them as we read their book Midnight on the Moon. We will incorporate creative writing, arts and crafts, and an out of this world snack or two.

#### Grade 3 and 4 Math - Ms. de Roulhac

Let's continue our "Beach Vacation" as we focus on expanding math fact fluency and problem solving skills, and get a head start on 3rd and 4th grade. Students will receive instruction that is age appropriate, including diving into multiplication and division. We will also have a little under-the-sea fun with beach themed crafts and yummy snacks. Common core aligned strategies and skills will be taught to help your child succeed.

#### Mermaids - Mrs. Cresta

Calling all mermaids! Have you seen your fins? What about your flippers? If you haven't, come find them in Mrs. Cresta's under the sea mermaid class. We will make our own fins, decorate snacks, and embrace our inner "Merfantasy"! Want to learn what it means to be a mermaid? Come join the class!

#### Knights of the Round Table - Mr. Jonathon

Man the battlements. Join the ranks. Boys and girls, prepare yourselves. Make swords, craft shields, and helmets. Build castles and catapults. DRAGON ON THE HORIZON!!!! For Glory, For Honor, For Justice.

## 2nd Class 10:45-12:15

### Grade 1 and 2 Math - Ms. de Roulhac

Life's a beach when you know your math facts! Join the beachy fun as we improve fact fluency and problem solving skills. We'll dive right in and integrate math facts, geometry, time, and money counting. We will be sure to add a little under-the-sea fun to our week with beach themed crafts and yummy snacks. Common core aligned strategies and skills will be taught to help your child succeed!

### Grade 3 and 4 Language Arts, "Thank you, Mr. Falker" - Ms. Yanish

Mr. Falker is Trisha's number one cheerleader. He is kind, caring, and encouraging. We will spend the week using this sweet book to incorporate all kinds of writing skills (including grammar, spelling and punctuation), art projects, and so much more.

### Harry Potter - Mr. Jonathon

Expecto Patronum! Imagine and create. Craft and build your wand of Destiny. Make potions and catch the Snitch. Defend yourself from the Deathly Hallows. What house will you choose- Eagle, Badger, Snake, Lion?

### 3 "P's" Art - Mrs. Slater

Painting, Pastels, and Pottery! For the serious artist. We will create beautiful works of art and have lots of fun creating them! Please wear clothes that you don't mind getting dirty.

**Week 3 June 29-July 3**  
**1st Class 9:00-10:30**

**Summer Sports - Mrs. Cresta**

Are you ready to run around? This summer be prepared to participate in all of the activities from traditional tag to sardines and basketball knockout, as well as whiffle-ball, dodgeball, soccer, hockey, jump rope, and hula hoop! There will also be a water balloon contest and an egg race! At the end of the week, you'll be taking home extra athletic gear too!

**Up! Up Into the Air - Ms. Vera**

This will be a hands on exploration of flight and its principles. Each aeronaut will build a glider, propeller plane, parachute craft, and bottle rocket. We will then fly or launch them in contests to see the longest, highest, and best flight. Along the way we'll learn a little about the mat and principles that govern flight. Let's take off together!

**Three "R's" Art - Mrs. Slater**

Reduce, Reuse, and Recycle. For the very creative thinker/artist who likes to transform something old into something new. Don't worry - Mrs. Slater will supply the list of junk you should be collecting. She will also be giving you some in your supply bag..

## 2nd Class 10:45-12:15

### Olympics - Ms. Yanish

This summer marks the XXXIII Olympiad in Tokyo, Japan. During our week together we will learn how this tradition came to be, make Olympic crafts, play Olympic games, and even eat food surrounded by the Olympic theme!  
**GO TEAM USA!**

### Woodworking - Ms. Vera

Learn woodworking skills and safety as you are building treasure chests, bird houses, airplanes, and other wood projects. You will learn how to use the basic woodworking tools safely, while fabricating and decorating your finished projects.

### Board Game Club - Mr. Jonathon

Roll the dice. Play the card, Make the move. Games, Games, and More Games! Enjoy a round or two. Bring a game. Play a game. It's all about fun. Come and learn a new game or enjoy an old one with friends.
