

For peace of mind
at your summer pool parties, hire the
Lifeguard Ladies!

We are Red Cross Certified and St. Philip alumnae!

We also have a "pool" of other certified lifeguards who are St. Philip alumnae who we can call too.

Remember, even if kids know how to swim, a lifeguard is necessary at parties with multiple kids in the pool at once.

Please text Ella at 818.746.0383
and we will help determine how many
lifeguards you'll need.

Keep your summer **safe!**
