

Direct Instruction is the day that your child's group is online with the teacher. This day starts at 8:10 am and will be directed by the teacher. There will be offline time to work and complete assignments but your child will be directed by the teacher for the day.

Guided Learning is the day your child will complete work assigned by the teacher, go online for lessons with the TA, and have options to meet with the teacher during the day. Your child also may meet with Resource Teachers on this day. Junior high students will check in with their faculty advisor.
