

Summer Fun at St. Philip the Apostle School

Summer Classes will be held the weeks of
June 21st and June 28th

There will be 2 classes per day.
The classes will run from 9-10:30 and
10:45-12:15,
with a short recess between for snacks.
Please see class descriptions for age
appropriate classes.

Each class is \$95.00. This includes the
registration fee
and a \$10 supply fee.

Contact Mrs. Simone:
Ksimone@stphiliptheapostle.org or
Ms. Yanish kyanish@stphiliptheapostle.org with
questions.

Summer School 2021 Packet

Week 1: June 21 - 25

First class: 9:00 - 10:30

Math (Grades 2-3): Ms. de Roulhac

I scream, you scream we all scream for ice cream! Time to put your math skills to use as you design your very own ice cream truck! Students will plan, design, and run their own ice cream truck. Students will practice critical thinking, problem-solving, addition, subtraction, and more in a fun, real-world setting. We will have some treat tasting and other fun snacks and activities. In addition, we will play math games and use puzzles to practice skills and get ready for the next grade level.

Rainforest (Grades 1-4): Mr. Jonathan

"Run, fly, swim, and hop"

Travel deep into the jungle and learn about the amazing wildlife that is hidden in the rainforest. Learn and explore each level of the rainforest canopy with the help of plants and animal life.

Science (Grades 1 - 4): Mrs. Sandra

Is Science one of your favorite subjects? Then come and join Mrs. Sandra into the fantastic world of Science. We will explore, read, play and create nature and the solar system. Let's have a blast this summer.

Dance! (Grades 1 - 5): Mrs. Simone

If you love to dance, then this is the class for you. Learn to dance to some of the best new songs, and maybe a few oldies but goodies as well. Get ready to move and have fun!

Language Arts (Grades 4-5): Ms. Yanish

What would your ultimate house look like? Would you have an aquarium room? A bedroom high in the sky with a twisty slide you ride taking you to the dining room for dinner? Join us as we read the book If I Built a House and once we've read it you will practice your writing skills by describing what your ultimate house would look like. We will work on complete sentences, proper grammar and punctuation, use of adjectives, transitions and more.

Vibrant Art (Grades 1-5): Miss Joyce

Vibrant art will allow you to let you be the artist you really are! Drawing, painting, sewing...we will discover and practice different media (cardboard, canvas, paper and more.) In this class we will learn about amazing artists that made history, their past and what makes them be recognized worldwide as artists. Come and let your imagination create the biggest castle, the scariest monster and the tallest mountain. There are NO RULES when it comes to creating your own art piece. Bring your vibrant ideas and enjoy the summer.

Sports (Grades 1-5): Mrs. Cresta

Come join Mrs. Cresta for some fun Summer Sports! Are you ready to run around?

This summer, be prepared to participate in all of the athletic activities from traditional tag to sardines and basketball to knock out, as well as wiffle ball, dodgeball, soccer, hockey, jump rope, and hula-hoop! There will also be a water-balloon contest and an egg race!! At the end of each class, we will cool down by enjoying a nice popsicle. Once the last class is over, all of the students will be taking home extra athletic gear too!

Second Class: 10:45 - 12:15**Fun Math Project Based Learning (Grades 4 - 5): Mrs. Simone**

Incoming 4th and 5th grade mathematicians will have a blast using math to run their own businesses, plan their own trips, design their own houses, and so on. Many mathematical concepts will be reviewed such as the four basic operations, place value, money, decimals, basic fractions, problem solving, measurement, geometry, etc. The projects that will be covered during Week 1 and Week 2 will be different, so students are welcome to sign up for both weeks!

Math (Grade 1): Mrs. Cresta**GET READY FOR NEXT YEAR**

Join Mrs. Cresta in practicing writing your numbers up to 100. We will work on skip counting by 10s to 100, by 2s to 20, and by 5s to 100. We will also practice addition and subtraction sentences up to 10. There will be fun games using manipulatives sorting and classifying by color, shape, and size!

Zoo Camp Adventure! (Grades 1-3): Ms. de Roulhac

Junior zookeepers will have a fun-filled week learning all about how to take care of animals and their different habitats. We will go on "field trips", play games, make crafts, and learn all about animals on this zoological adventure. Students will practice their reading and writing skills and apply math concepts while having fun at the zoo!

Storytelling (Grades 1-3): Mr. Jonathan

"Let's build a character"

We will work on character development in writing. We will be building a unique character with depth, personality, clear motives and the changes a character undergoes over the course of the story.

All about DIY (Grades 1-4): Mrs. Sandra

If you like to create, decorate and get crafty, this is the class for you! We will do all kinds of fun activities. No special skills are required!

Olympics (Grades 1-5): Ms. Yanish

This summer marks the XXXII Olympiad in Tokyo, Japan. During our week together we will learn how this tradition came to be. We will make Olympic crafts, play Olympic games, and even eat food surrounded by Olympic theme!

Around the world (Grades 1-3): Miss Joyce

What are your favorite places to travel? Do you prefer the hot weather or cold weather? Favorite food? Language? Come with me to explore the continents and discover the wonders of beautiful countries. Get your passport ready and let's get some stamps around the world ! We will have a small introduction to some countries and learn about their culture, language and how kids celebrate some holidays with family and friends at school. Are you ready to board? Au revoir!

Week 2: June 28 - July 2**First class: 9:00 - 10:30****Math (Grades 2-3): Ms. de Rouhlac**

Let's go camping! Students will sharpen their math skills and they enjoy a fun-filled week of "camping" activities! Students will practice time-telling skills, addition, subtraction, fractions, data analysis, measurement, and much more as they plan their trip and activities. We will enjoy some camping-themed snacks, crafts, and games as well!

Star Wars (Grades 1-4): Mr. Jonathan

Two paths you see ahead. The light and the dark side call to you. The strength of a Jedi or the treachery of the Sith. A side you must choose. Will it be for good or evil? The balance rests in your hands.

Dino World (Grades 1-4): Mrs. Sandra

Calling all the paleontologists!! Come this summer and travel back millions of years as we dig into the world of dinosaurs. If you are a dino expert or want to learn more about these amazing creatures, join me!

Fairy Rock Garden (Grades 1 - 5): Mrs. Simone

Create your own fairy rock garden! Have fun being creative, painting your own rocks, and planting your own plants. You can take everything home with you to display in your yard or porch!

Language Arts (Grades 4-5): Ms. Yanish

The Lion, The Witch, and the Wardrobe. It is time to step through the wardrobe and head to Narnia where we will work on our reading comprehension, comprehension strategies, hone in on our writing skills. Why not take advantage of our summer reading too!

Vibrant Art (Grades 1-5): Miss Joyce

Vibrant art will allow you to let you be the artist you really are! Drawing, painting, sewing...we will discover and practice different media (cardboard, canvas, paper and more.) In this class we will learn about amazing artists that made history, their past and what makes them be recognized worldwide as artists. Come and let your imagination create the biggest castle, the scariest monster and the tallest mountain. There are NO RULES when it comes to creating your own art piece. Bring your vibrant ideas and enjoy the summer.

Spanish (Grades 1-3): Mrs. Cresta

Come have fun and learn Spanish with Señora Cresta!

Mrs. Cresta is teaching Spanish this summer to all incoming 1st - 3rd grade students.

We will learn about the alphabet, colors, sizes, families, animals, food, and much more by singing Spanish songs.

Second class: 10:45 - 12:15**Fun Math Project Based Learning (Grades 4 - 5): Mrs. Simone**

Incoming 4th and 5th grade mathematicians will have a blast using math to run their own businesses, plan their own trips, design their own houses, and so on. Many mathematical

concepts will be reviewed such as the four basic operations, place value, money, decimals, basic fractions, problem solving, measurement, geometry, etc. The projects that will be covered during Week 1 and Week 2 will be different, so students are welcome to sign up for both weeks!

Math (Grade 1): Mrs. Cresta

GET READY FOR NEXT YEAR

Join Mrs. Cresta in practicing writing your numbers up to 100. We will work on skip counting by 10s to 100, by 2s to 20, and by 5s to 100. We will also practice addition and subtraction sentences up to 10. There will be fun games using manipulatives sorting and classifying by color, shape, and size!

Marine Biology-Aqua Camp (Grades 1-3): Ms. de Rouhlac

Calling all ocean lovers, let's dive in and learn about the sea! We will explore marine habitats and learn about different sea life. We will do a little math, some fun writing activities, science exploration and so much more as we swim through our week. There will be fun beach-themed activities, crafts, snacks, and games. Don't miss the boat!

Storytelling (Grades 1-3): Mr. Jonathan

"Let's Make a Book" We will focus on adding evidence to character(s) and paragraphs. Expanding our writing to be more descriptive, detailed and give more evidence. We will also be working on persuasive writing.

Galaxy Club (Grades 1-4): Mrs. Sandra

Ever wonder how to put a galaxy in a jar? Want to give an old t-shirt a new cool look? Add a fun dose of night sky colors to this and more!

It's Beginning to Look A Lot Like...Christmas?? (Grades 1-5): Ms. Yanish

It is Christmas in July after all! Come to the North Pole where we will make fun Christmas crafts, do a little Christmas caroling, prepare for Christmas cookies, have a little hot chocolate and just maybe get caught in a snowball fight.

Air Dry Clay Pottery (Grades 1 - 5): Miss Joyce

If you like to work with your hands and make unique creations, this is the right class for you! Let's make a nice jewelry organizer, a flower base or some magnets. Let's have fun and create whatever you need around your room, desk or house. You can also come up with your own ideas and we can make them happen.
