

## Community Group Leader

*Community Group leaders help create and facilitate a space where students can connect and grow in their relationship with God and in their relationships with other members of the group. Leaders look for opportunities to help group members hear the promises of God and the truth of the gospel and then respond by living this out with each other and in their local communities. While Bible study will be an integral part of weekly gatherings, building a sense of community is of primary importance.*

**Group Meeting Times:** Varies

**Time Commitment:** 3 hours/week (2 hours for gathering (1.5 hour group), 1 hour preparation)
