PLAYGROUND GUARDIAN™

Playground & Park Cleaning & Sanitizing Services

Playground & Park Safety has always been our #1 Priority.

Playground and park safety is no longer just inspections, maintenance and documentation, it NOW includes cleaning and sanitizing. We are here to help you navigate this "new normal." In an effort to reduce the risk of a harmful virus or pathogen living on park and playground equipment, cleaning and sanitizing equipment on a regular basis is a must. Playground Guardian can now offer our customers these services too.

We've been doing the research. For sanitizing, we have found a product that is cost effective enough to apply daily, weekly, or monthly. **Peroxigard™** by *Lighthouse Life Sciences* is the answer.

Why Peroxigard™?

- **Efficacy** - Cleans and achieves disinfection contact time compliance against key pathogens of concern in a single application – no need to pre-clean or re-apply.
- **Safety** - The responsible choice while guarding people, animals, equipment and the planet. Non-toxic, non-irritating, non-corrosive and fragrance free.
- **Simplicity** - One technology for all your facility's cleaning and disinfection needs. Available in ready-to-use and an easy to dilute concentrate – ease of use and promotes compliance.

We will continue do our best to find the most effective solutions for you as we move forward in this "new normal." We believe by integrating cleaning and sanitizing services into your inspection and maintenance plan you are further mitigating risk.

Contact Playground Guardian today at (877) 984-0418 to learn more about these cleaning and sanitizing services, add them to your existing inspection contract or to discuss a program that works best for your school or parks department.

To order sanitizing products to clean and disinfect your park and playground equipment now, visit **www.playgroundguardian.com**.
