### Additional Information

Please provide additional information (two pages max) as an attachment to this form.

# **Description of the Endangered Property**

Briefly describe the property's main characteristics such as site features, structures on the property and their condition, and whether or not the property is occupied.

## Historical/Architectural Significance

Briefly state the historical or architectural significance of the property and its relevance to Dallas.

### Threat

Describe the nature of the threat to the property such as demolition, neglect, inappropriate rehabilitation, development pressure, vandalism, and/or a pending sale or foreclosure without preservation restrictions in place. Please describe the immediacy of the threat if known.

# **Community Commitment**

Does the community or neighborhood support the preservation of the nominated resource? Are there any suggestions or plans for the reuse of the property, if appropriate? Please attach appropriate newspaper articles, editorials or other information that might be helpful.
