## **Sewing Angels**

Mahalo to each of you who raised your hands to share your gift of sewing to make face masks! Because of you, we were able to reach our goal of 200+ masks for CareResource Hawaii, a local Home Health Care agency. With your help, staff, clinicians and clients were able to continue necessary face-to-face appointments, while staying safe and healthy.

## **Donation**

Mahalo for the assortment of cookies from Honolulu Cookie Company. They have been shared with non-profit organization who are providing meal and non-perishable food deliveries to our Kupuna, and others in need.
