

# Investment Drive

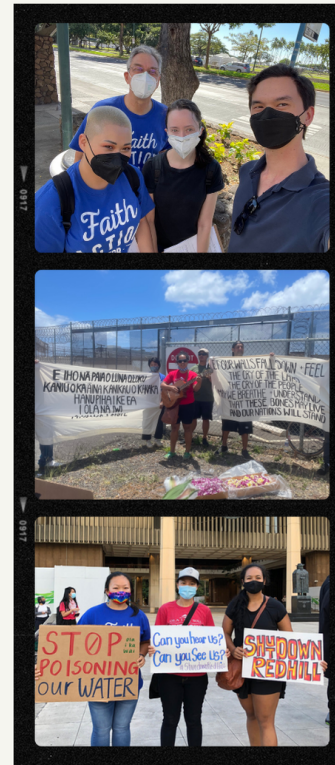

August 1st - October 2nd, 2022

Faith Action's Annual Investment Drive is an opportunity for members to make a long-term investment towards the creation of communities that promote collective well-being and improve the quality of life for everyone in Hawai'i.

At the heart of Faith Action's work are our leaders, community members who seek to uproot social injustices and confront challenges to equity and fairness through community building and collective action. They are true catalysts for change.

Grassroots leadership is critical for communities facing hardship and uncertainty. Faith Action increases the stock of grassroots leaders by engaging members in organizing efforts and offering pathways of engagement to the greater community. This work is made possible through the investment drive.

When you invest in Faith Action, you are investing in the future of your community. That is the reciprocal nature of the Annual Investment Drive. Please consider making an investment today to support the building of a better tomorrow!
