## **Boys Basketball**

### Game 1: **Eastlake 61, Juanita 58**

The Juanita Ravens hit the road, trying to give the Eastlake Wolves their first loss of the season. Both teams showed a lot of energy defensively, the Wolves holding the Ravens to just 9 points (to their 13pts) in the 1<sup>st</sup> quarter. While Eastlake took the slight lead, they were forced into 11 turnovers in the 1<sup>st</sup> half and the score was 26-23 at the half. JR Captain, **Will Woodward**, led the way with 12 pts and 9 rebounds for the half and the Wolves had a 23-12 rebounding advantage over the Juanita Ravens. Going into the 3<sup>rd</sup> quarter, Eastlake came out strong extending their lead to 7 points early, which ended up being their largest lead of the game. It was a back and forth game, exchanging blows throughout the whole game. JR Captain, **Cooper Brown**, took on the challenge of guarding Ravens star, Jordan Tate, holding him to a season low 11 points on the game. The Wolves had 4 guys in double figures, **Cooper Brown** added 10 pts and 5 rebs, SR captain **Jackson Edward** had 11 pts and 7 rebs, **Owen Kinzer** contributed 11 pts and 3 asts + rebs and **Will Woodward** finished with a game high 25 pts and 20 rebs. Eastlake's defense was key for this game, despite 18 turnovers, and slipped past Juanita with a 61-58 victory. The two teams will again face each other in a short 3 day turnaround to run it back this Friday.

### Game 2: **Eastlake 66, Juanita 41**

The Wolves entered the night, still undefeated and ready to take on the Juanita Ravens and spoil their Senior Night. Eastlake did not take this team lightly and came out with a bang! Once again, the defense set the tone early, as they held the Ravens to just 7 points in the 1<sup>st</sup> quarter, while staying true to the teams mantra – **Defend, Rebound, Run** – taking a 20-7 point lead after the 1<sup>st</sup> quarter. The Wolves held their leading scorer to just 6 points in the first half, another strong effort for **Cooper Brown**, as he took the defensive accountability holding him to his lowest point total in both games. The Wolves maintain their lead through the first 3 quarters and came out with an added level of energy in the 4<sup>th</sup> quarter. Dealing with injuries to starters Jackson Edward and Luke Wiljanen, it was a team effort getting contributions from **Bryce Johnson, Ataberk Yildiz and Zach Zimney** coming off the bench by committee. Eastlake outscored Juanita 16-9 to close out the 4<sup>th</sup> quarter. Getting another double digit effort from guards **Cooper Brown** (12pts) and **Owen Kinzer** (12 pts, 4 asts). Our BIGS, **Jackson Edward** (Injured in the 3<sup>rd</sup> Q) finished with 15 pts and **Will Woodward**, with another game-high 16 points, 7 rebs. After running through home-and-home games with all the teams in LW district – Eastlake finished unbeaten, clinching the District title and running through all the teams victorious, as they head into their 3<sup>rd</sup> matchups with Redmond and LW respectively.

### Game 3: Eastlake 57, **Redmond 67**

With another twist to the modified season and the risk of returning back to phase 2 canceling the remainder of the season, the Redmond game and Senior Night was moved up to Monday. The Wolves, just coming off a win Friday night against the Juanita Ravens and clinching a district/pod championship for the 2021 Basketball season. The Mustangs, hungry to avenge their only 2 losses of the season,

coming at the hands of our Eastlake Wolves. Before the game, the Eastlake family celebrated their seniors, **Jackson Edward, Owen Kinzer and Lalit Bhimanadan**, who were leaders in our quest to establish a new culture for this program. With the excitement and adrenaline from our Senior class, the Wolves came out business as usual taking an early 15-9 lead, shooting 75% from field as the first quarter came to an end. Redmond made a couple runs in the 2<sup>nd</sup>, but the Wolves were able to respond, thanks to JR Captains **Cooper Brown and Will Woodward**, scoring all of Eastlake's 14 points in the 2<sup>nd</sup> quarter. With the game still in reach, Redmond came out in the 2<sup>nd</sup> half and that is when their shots started to fall. They were able to score 20 points in the 3<sup>rd</sup>, to Eastlake's 16 – tying the game at 45-45 heading into the 4<sup>th</sup> quarter. It seemed to be Redmond's night, as they continued to hit big shots, making 4 3FG in the final quarter and holding Eastlake to a game low 12 points to close out the game. With the short turnaround time and Redmond wanting to get revenge on the Wolves after they put up a record 92 points in their gym, Eastlake fell short as they took their first loss of the season 67-57. **Will Woodward** led the game with 25 points and 13 rebounds, **Cooper Brown** added 14 points and in his last home game at Eastlake, **Jackson Edward** finished with 10 points and 5 rebounds. The Wolves have 24 hours to recover before they face LW as they look to close out the season on the road.

### Game 3: **Eastlake 51, Lake Washington 46**

Heading into the final game of the season, it was the Wolves' 3<sup>rd</sup> game in just 5 days. Eastlake dealing with injuries to starters **Luke Wiljanen** and SR **Jackson Edward**, they limped into the season finale trying to end on a high note, rather than a 2-game skid. In the first quarter, both teams were feeling the effects of the short season and accelerated game schedule, as neither team could get going offensively. The Wolves went 0-7 from 3FG, while the Kangs didn't do much better going 0-5, while only 2 players from each team got in the scoring column. At the end of the first, Eastlake 8, Kangs 6. The second quarter was much of the same for Eastlake, but the Kangs hit 3 shots from behind the arc, scoring a total of 16 for the quarter and taking a 21-19 lead over the Wolves at half. With the thought of going 6-0 to start and then potentially going 0-2 to close, it was time for the Wolves to participate in their own rescue! As they did for most of the season, they came out hungry early in the 3<sup>rd</sup> and turned to what they know best, **DEFENSE**. Eastlake held LW to just 9 points, going 0-9 from 3FG with an effective FG% of 23.5% in the 3<sup>rd</sup> quarter. With the Wolves having their own struggles from 3-point range (1-22 or 4.5% on the game), the great play on defense turned into offensive as Eastlake looked to run and pound it in the paint, taking a narrow lead into the 4<sup>th</sup> 33-30. The Kangs never backed down, never stopped competing hitting 3 of their 6 from behind the arc in the 4<sup>th</sup> quarter to keep it tight. The Wolves would eventually hit some clutch free throws and cap off the season with a 51-46 victory. All 3 captains scored in double figures, **Cooper Brown** 10 points and 6 rebounds, **Jackson Edward** 2<sup>nd</sup> most points in the game with 14 and **Will Woodward** finishing with a game-high 15 pts and 20 rebounds. It was an incredible season, although it looked and felt different. The Eastlake Wolves varsity team set a high standard for this new program, the culture of defense and togetherness is established, all thanks to this group of young men. The Wolves left **NO DOUBT** that they sit atop of the district and will have a target on their back for years to come. The team will get together one last time, as they were invited to a tournament in June as consolation for not having playoffs/state tournament. **WOLF STRONG, PACK STRONG**. Defend, Rebound, Run. **DISTRICT CHAMPS!**

## **JV**

Eastlake would go into the break just down 1 by a score of 20-19. Eastlake would come out of half time with a game plan of attacking the rim with

vengeance. Wolves vaunted defense would hold the Kangs to 4 points to end the 3<sup>rd</sup> quarter with a score of Wolves 29- LW 24. The Wolves fought hard in the 4<sup>th</sup> quarter but missed free throws would ultimately doom the Wolves comeback attempt. Eastlake outscored the Mustangs 19-13 in the 3<sup>rd</sup> quarter taking a lead midway through the quarter. The Wolves got back to their calling card of defend, rebound and run to open up the game and start the comeback. Eastlake ended the 3<sup>rd</sup> quarter down 7 with a score of Wolves 30 Redmond 37. Redmond would take advantage of the Wolves sloppy play, forcing multiple turnovers for layups to put game out of reach in the 4<sup>th</sup> quarter to win the game. Eastlake had many chances to close the gap but they were unable to capitalize at the charity stripe down the stretch. Freshman Caleb Lee led the team in scoring with 11 points. Freshman Sawyer St. Pierre added 9 pts. Freshman Trevor Galvin, Freshman Aviv Brill and Sophomore Peyton White contributed 6 pts each. Freshman Connor Hom finished the scoring with 4 pts. ### **Varsity:**

On Friday night the Juanita Ravens traveled to the home of the Lady Wolves to meet for the second time in a week, with a final score of 61-43 in favor of Eastlake. The Ravens came out hard and though the Wolves struggled to find an offensive rhythm in the first half, they were able to manage a 7 point lead going into halftime thanks to some sharp shooting by Mckayla Matsuoka. After the break Eastlake came out in a high intensity, trapping full court press, looking to stir things up and use their defense to create offense. The wolves were able to find their groove and put up 21 points in the third quarter while holding Juanita to 10, and they never looked back. Sophomore Ava Schmidt led the way for the Wolves with 15 points, 9 rebounds and 5 blocks. Junior guard Mckayla Matsuoka added 14 points while shooting 4-6 from beyond the arc and fellow classmate, Hallie Sehlin had a career high of 12 points. Seniors Emily Holsan and Kaitlyn O'Brien rounded out the scoring with 8 points a piece. Holsan ripped down 5 rebounds and got 6 deflections while O'Brien added 4 rebounds and delivered 6 assists on the night. Joy Haltom from Juanita led all scorers with 18 points and 18 rebounds.

The Wolves traveled to Redmond for their third and final meeting on Monday 5/3. Despite some poor shooting in the first half, the wolves defense and second half tenacity carried them to a 50-28 win. While the Wolves shared the ball and had a very balanced night of scoring, sophomore Kaylia Jackson led the way with 11 points, 7 deflections and 3 steals. Sophomore Ava Schmidt added 9 points, 7 rebounds and 4 blocks. Junior Hallie Sehlin had 8 points and also snagged 7 rebounds. Senior Emily Holsan ended the night with 7 points, 4 deflections and 8 steals.

Tuesday 5/4 marked the final game of the season for the Lady Wolves, and what better way to end than hosting the Lady Kangs, who split the outcome of their previous 2 meetings. The Wolves struggled early and dug themselves a deep hole, ending the first quarter down 4-19. At the beginning of the 2<sup>nd</sup> quarter the Wolves bench provided a much needed defensive spark that led to an immediate Genevieve Hastings layup to get the team going, allowing the wolves to eventually claw back to within 7 going into the half. The second half was a barn burner (dead even in scoring); one team would go on a run, and then the other would counter. Despite some late fourth quarter heroics and a last second 3 point make by Senior Kaitlyn O'Brien, the Wolves were not able to ever gain the lead and fell to the Kangs 56-63. Sophomore Ava Schmidt ended the night with 22 points shooting 53% from the field, snagged 8 rebounds and blocked 2 shots. Senior Emily Holsan ended the night with 9 points, 4 rebounds and 2 steals. Junior McKayla Matsuoka had 7 points, 4 assists and 2 steals. Kangs Junior point guard had a phenomenal night, and led all scorers with 30 while shooting 48% from beyond the arc.
