

Student Directions to Check Account (Library and Textbook Items)

1. Go to the EHS Website and choose Academics and [Library](#)
2. Click on the EHS Library Catalog link
3. Click **“Login”** on the top right-hand corner
4. If you know your username/password, enter them
(use your LWSD username)
5. Click **“Forgot Password”** to create a new one (you will need your ASB number); follow the on-screen directions.
6. Then click the tab at the top that says **“My Info”**
7. You will be able to see the checkout status of all items and any past or current fines. Each item has a series of letters and numbers in the parentheses. This is the Lake Washington School District Barcode. **(MLWSD000011155)**
8. You can use this information to double check the barcode number of textbooks and laptop items on your account. **This is important because sometimes laptop chargers and textbooks get mixed up between students. Compare all the barcodes of the items you have to the ones listed in Destiny. If they don't match please contact Mrs. Story at kastory@lwsd.org. If they all match you can be sure your account will be clear when you turn them in.**
