

2021 – 2022 Garrett J. Goodchild Achievement Award (HS)

A competitive scholarship in the state of Washington open to graduating seniors at Eastlake High School or Redmond High School who intends to enroll at any of the 10 independent colleges of Washington.

Gonzaga University - Heritage University - Pacific Lutheran University - Saint Martin's University
Seattle Pacific University - Seattle University - University of Puget Sound
Walla Walla University - Whitman College - Whitworth University

As a memorial to Garrett J. Goodchild, who passed away in 1996 prior to his senior year at Eastlake High School in Redmond, Washington, family and friends established the Garrett J. Goodchild Achievement Award. This scholarship is intended to assist students from either Eastlake High School or Redmond High School in attending one of the 10 institutions of the Independent Colleges of Washington (ICW). Each of the previously selected Garrett J. Goodchild Scholars has represented the kind of young person that Garrett's family and friends hope to see succeed in the quest for a college degree.

Applicants should be students who take seriously the opportunity for a college education and who offer a background of solid academic achievement (minimum high school cumulative GPA of 3.0), school leadership credentials, and community involvement. Demonstrated student financial need is considered. The ICW Scholarship Selection Committee chooses the Goodchild Scholar based on the application materials provided. Students may apply for the scholarship prior to making their final college choice, so long as they have applied to at least one of the above-listed colleges or universities.

Only a student enrolling as a full-time freshman at one of the above-listed independent colleges of Washington will be considered in this round. Scholarship funds are paid by ICW to the honoree's college or university, and the funds are then applied toward the student's tuition and academic-related charges.

Recipients may choose to share their academic and collegiate experience with the donors. The award is subject to renewal for up to three additional years, provided the recipient maintains full-time status and satisfactory academic progress worthy of a merit-based award (3.0 cumulative GPA).

Guidelines are subject to change with approval of the ICW Board of Directors and the Goodchild family.

\$2,500 per year scholarship, renewable for up to four years, subject to satisfactory (3.0 cumulative GPA) academic progress.

Selection is made without regard to the applicant's race, color, ethnic origin, religious belief, gender, marital status, or physical handicap.

All ICW scholarships subject to availability of funds. For further information, please visit the ICW web site at: www.ICWashington.org.
