Vocational knowledge building for
Year 11-13 ākonga

WHAT IS THE LEVEL UP - PATHWAYS PRESENTATION?

IT'S TIME TO BUILD ON THE FOUNDATION OF KNOWLEDGE THAT WAS LAYED BY THE PATHWAYS PRESENTATION!

This Presentation has been designed as the follow on from our Year 9-10 Pathways Presentation. It recaps the essentials while building the knowledge kete. It is suitable for ākonga (students) who have received the Pathways Presentation and is aimed at ākonga Year 11-13. It is delivered to class-sized groups over 1-hour.

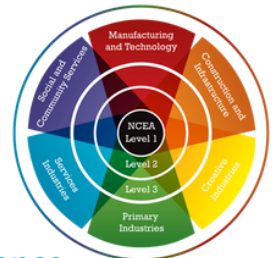

We encourage self-awareness, work experience, skill-building, and job exploration.

We ensure ākonga know who to talk to in your team about Careers, Gateway, STAR and Trade Academy, and that they know what these programmes offer them.

The objective is to build on the essential information delivered in the Pathways Presentation while also providing take-away tools such as the Vocational Pathways, CareersNZ Job Profiles, Subject Matcher, and The School Leavers Tool Kit. Our presentations, alongside your teachings, will work together to ensure that tai tamariki receive the information they need to make informed choices when they transition from education to employment.
