

We are very excited about the River City Pride presenting **The Bank of America Pride Parade** taking place Saturday 05 October 2019. As a participating group in the parade, here is some information to make parade day a success.

The Parade lineup and the starting point is located around Willow Branch Park. Please enter the lineup area on Cherry Street from Park Street by the Willow Branch Library.

*2870 Sydney St Jacksonville, Florida 32205*

For those groups who have a more significant number of people, either walking or on a float, the Metro Entertainment Complex has graciously allowed us to use their back parking lot for overflow parking and staging. Due to the area around Willow Branch Park having limited parking available we suggest carpooling to the parade location. Metro is located at 859 Willow Branch Ave Jacksonville, FL 32205. The least amount to cars in the immediate area will keep the local residents happy and cause less congestion for the floats getting to the lineup area. Again, if your organization has a large float, we recommend taking advantage of the staging area at the Metro or making sure all materials needed for the float are set before arrival. Vehicles not in the parade will not have access to the lineup area.

Please keep in mind; **the parade WILL START PROMPTLY AT 4:00 PM**, and the Jacksonville Sheriff's Office will be directing the step off, as such, there will be no delay. Staging is set to formally begin at 2:30 PM at which time you will be able to start lining up. However larger groups should plan to arrive early, as all participants **MUST** be in place no later than 3:30 PM so that the parade can start at 4:00 PM. If you are late, there is no guarantee your position will be held for you, and you **MAY NOT** be able to participate in the parade. If your position is unavailable as a result of a delayed arrival, you will **NOT** receive a refund.

All River City Pride outdoor activities; parade, block party, and festival, are rain or shine events. Unless something catastrophic occurs, the parade will go on. If due to poor weather conditions you decide not to participate, that is your decision and **NO** refund will be issued.

For those that have decided to participate in the Stonewall 50th Anniversary Commemorative contest, you will be informed via email after PRIDE weekend if you won. You will be judged by a panel of judges stationed in the Five Points Area, as you

pass through. For BRAGGING RIGHT ONLY! The contest is not mandatory. Having a blast and spreading love are the only two requirements for the parade.

Safety is a concern for River City Pride and all who participate in any of the events throughout the weekend. The Jacksonville Sheriff's Office will be present during all activities. If you see something, say something. We want nothing but love and peace all weekend.

Attached you will find a spreadsheet with all the parade participants; you will notice an assigned number for your organization's parade spot. Note—your number may change depending on additional entries at the last minute. **Please check-in with a volunteer on Saturday upon arrival to confirm your parade placement number.** Position 1 will begin on Willow Branch Avenue at Park Street, and the lineup will continue on Willow Branch Avenue towards Sydney Street then down towards and onto Cherry Street. Look for the cones with your assigned number.

If you are a walking only group, your spot will be more of a placeholder for everyone on your team to fall into place as the parade steps off. There is plenty of standing space in the grassy areas around the park. Doing this will allow for all the floats and vehicles in the parade to lineup without congestion.

At the end of the parade, just past 5 Points, please quickly disembark your float if you are staying at the Block Party or load everyone up if driving back to Willow Branch Park. This helps with continuous flow through the 5 Points viewing area.

### **Additional Parade Rules**

- *Please do not release balloons into the air after the parade – pop and properly place in waste receptacle.*
- *Please watch for moving vehicles while walking around and near the floats and vehicles.*
- *Please follow all instructions from coordinators and volunteers.*
- *Please do not “throw” items from the float.*

Questions? Comments? Concerns?
