

Be Prepared For Emergencies

What is a Preparedness Plan?

- A preparedness plan helps you and all members of your household, including pets, understand what actions can be taken when facing an imposing emergency / disaster.

What does a preparedness plan identify?

- Emergency Contacts
- Evacuation Routes
- Emergency Supplies (Stock)
- Food And Water during and Emergency
- Sheltering
- How to Shelter in place
- Shelter Locations
- Pet Friendly Shelters
- Special needs Shelters
- Emergency Preparedness Kits
- Etc.....

How to make a Preparedness plan

- There are many different resources to help you make a preparedness plan.
- FloridaDisaster.Org has an easy step by step plan creator at:
[Get a Plan \(floridadisaster.org\)](http://Get a Plan (floridadisaster.org))
- Ready.gov has fillable plan templets at:
Family Plan
Pet Plan
Plan for People with Functional And Access Needs
Senior Planning

Until blue skies return, the Division of Food Safety wishes you all a safe hurricane season.
