WHAT IS T4?

T4 introduces students to workforce skills, needs, training and networking opportunities with industry leaders and technicians!

How do we expect young people to dream if they don't know what they can dream about? T4 Tools Trades Torque Tech is the premier way for tomorrow's workforce to get an up-close look at the inner workings of industry.

Students who attend will participate in sessions and see demonstrations from leaders in the following career industries:

- Manufacturing
- Agriculture
- Aviation/Unmanned Aircraft Systems
- Cybersecurity
- Health Sciences
- Transportation
- Trades: HVAC, Plumbing, Electrical, Mechanical Systems, Building Construction, Welding
- Land Surveying and Civil Engineering Technology
- Energy Operations & Technicians

All sessions and demonstrations will be presented and facilitated by industry professionals and educators!
