

**Are you ready to get back into the office?**

**Or, are you looking for a flexible option to leave your home a few days of the week or month?**

**You have to try coworking – we have a FREE trial day!**

You can choose to work solo, alongside others, in a private office, meeting room, you name it, we can make it work for you.

Our space is not bustling with people. On the contrary, we are operating under COVID Health & Safety Protocols. Our capacity has been cut in half and workspaces are clean, safe, and distanced apart. [Read more of our guidelines here.](#)

**----> [CLAIM FREE TRIAL PASS HERE](#)**

## ABOUT US

*coLAB , simply put, is a large office space for individuals and businesses of all shapes and sizes to work. We are built to include everything you would find in a typical office space: desks, private offices, meeting rooms, phone booths, WiFi, kitchenette, etc. What sets us apart is that we are affordable and invest into our community so that you love where you work. Hope to see you soon!*
