

MIGHTY FIRE BREAKER™
NATIONAL LEADER IN PROACTIVE FIRE DEFENSE

MAY IS WILDFIRE AWARENESS MONTH

DEAR GROWN UPS,

AS THE TULIPS FINISH THEIR NATURAL
CYCLE AND THINGS START TO DRY OUT
PLEASE CONSIDER THE CHEMICALS YOU
START SPRAYING TO REDUCE YOUR
WILDFIRE RISK.

KIDS LIKE US WISH YOU WOULD ONLY
USE EPA SAFER CHOICE BRANDS. OUR
FUTURE, WATER, AQUATIC LIFE AND ECO
SYSTEMS CAN BE HEALTHY AND
SURVIVE IF PEOPLE STOP USING TOXIC
WILDFIRE DEFENSE CHEMICALS.
