

# Don't Let COVID-19 Restrictions Keep You From Finding Quality Candidates!

## Introducing Our "Anywhere Career Fair"

We'll hold our first "Anywhere Career Fair" from July 27th through August 26th. That's 30 days to have your jobs posted, details of your company and a schedule of live chats where you can talk directly with candidates - all at one website.

You'll have access to detailed stats about job seekers who have visited your virtual "booth" and uploaded their resume.

Join me for a 25-minute preview of our Anywhere Career Fair platform - an online recruitment solution used by hundreds of companies across the U.S.
