

**COTATI - ROHNERT PARK  
UNIFIED SCHOOL DISTRICT**

***John Reed Elementary School***

February 21, 2026

Dear Community Business Owner or Representative,

John Reed Elementary School is having a Pasta Dinner and Art Show fundraiser to help our school to support educational programs. Our talented students will create beautiful spring artwork that will be on display for the evening. It is our goal to provide a delicious and affordable meal for our school population and community guests. We are asking for your financial assistance by donating cash or gift certificates that we can use to purchase food items. Our Pasta Dinner will take place on Wednesday, April 22, 2026, in the John Reed Multi-use room.

John Reed Elementary school is one of the oldest schools in Rohnert Park, and approximately 80% of our student population participates in the free or reduced lunch program. Any proceeds earned from this event will help provide classroom materials and support curriculum needs. If you have any questions, feel free to contact Nikki Boccaleoni at (707) 792-4845. For your records, here is our Tax ID number 52-16897716.

Thank you for your time and consideration.

Sincerely,

***Nikki Boccaleoni***
