

Fundemonium is your FUN and SAFE Joy Store!

Christmas is not Cancelled!

The new Health Order that went into effect on Saturday December 12th requires retail stores to limit occupancy to 20%. Fundemonium is BIG; 20% occupancy for us is over 40 people and we easily stay below that level.

You can shop in-store; you can call for curbside pick-up; or you can request local shipping. We work to serve you.

If you wish to shop when fewer people are present the best hours are weekday mornings from 10am to 11am and weekday afternoons from 4pm to 6pm. We are committed to your safety and continue to work on improving your shopping experience. [Read our full article here.](#)

We are well-stocked, open seven days a week, 9-hours a day, safe, and ready to make your Christmas FUN!
