St. Philip's inSPIRE

AFTER PENTECOST: PROPER 22

Thank You, St. Philip's!

A note from Connie Rink, Home Missions Team

Above: Chloë and Bob Huddleston happily donated blood at our fall blood drive on September 26. Below: Connie Rink's father, Bonner Cousins, was another happy donor!

A huge THANK YOU for choosing to donate, volunteer and help spread the word for our blood drive! The results are in with a fantastic response from St Philip's and our community reaching our goal of 46 units collected! Last Tuesday's blood drive combined with our June 2023 drive capped off by far the most successful year we've ever had at St. Philip's, with a total of 100 units for 2023! What that means for our Lowcountry hospitals and patients is that up to 300 lives have been positively impacted or saved—which is super AWESOME!

It truly was a beautiful day of fellowship and giving as the excellent Red Cross team, our parishioners, and our community came together for this lifesaving event. One of our parishioners, who has been a faithful donor for many years, noted that this donation experience was the best he had ever had. I shared this compliment with the very nice young lady who had managed this parishioner's donation. She smiled and said, "I treat everyone just like I would want to be treated." I think that pretty much sums up what makes our drives so successful: Those who are able are obeying the call. Luke 6:31 states, "And as you wish that others would do to you, do so to them." For that, we say, "Thanks be to God!"

Stay tuned for upcoming announcement of our 2024 blood drive dates in your inSPIRE newsletter!
