

Press Release: For Immediate Release

2022 New Wineskins Conference: One Mission

Our tenth triennial New Wineskins Global Mission Conference will take place at Ridgecrest Conference Center in the Blue Ridge Mountains of North Carolina, September 22-25, 2022. This year's theme is One Mission. All the conference details and the registration links are available at newwineskinsconference.org.

The New Wineskins Conference is a global gathering of the Body of Christ worshipping, learning, praying, networking, and building community and partnerships together for the glory of God and the expansion of His Kingdom to the ends of the earth. Our 2019 conference hosted over 1,200 attendees from 60 nations. This fall we expect even more!

REGISTRATION: Regular registration prices are available through September 9, 2022, after which there is a Late Registration option right up through the start of the conference. Discounted rates are available for international guests, full-time missionaries, seminarians, church planters, their spouses and children.

CHILDREN & TEENS: We will offer programming for children, teens and young adults and integrate them into our main conference in age-appropriate ways for a full intergenerational experience! A new mentoring program called *Mentored for Missional Ministry* is available for students 18-22 years of age.

LIVESTREAM OPTION: We are excited to announce that we are expanding the global impact and reach of the conference by offering ticketed options for a livestream experience for all the conference content including all six plenary sessions and over 70 of our Mission Awareness Presentations (MAP Talks). This online platform will be suitable for churches, small groups and individuals to access to make this mission training available in their own contexts all over the world. We envision groups holding "Watch Parties" to binge New Wineskins from the comfort of their own living rooms!

SPANISH & AMERICAN SIGN LANGUAGE: For the plenary livestream experience, participants will be able to choose from English and Spanish sub-titles, as well as American Sign Language interpretation. We will be offering live Spanish and American Sign Language interpretation for all the plenaries as well as a MAP-talk track in Spanish and American Sign Language.

FREE PRE- & POST-CONFERENCES: Before making housing and meal reservations with Ridgecrest on or off-site, conference-goers should consider coming early to attend one of the 20+ pre-conferences on specific mission topics which offer specialized training and networking

opportunities at no additional program cost. We also encourage you to stay late to attend Sunday afternoon's South East Asia Symposium followed by a two-day post-conference on Contagious Disciple Making using the Discovery Bible Study model led by founders David and Paul Watson. Maximize your New Wineskins experience for global impact!

SPEAKERS, MAP TALKS & EXHIBITS: We will have over 20 plenary speakers and missionary testimonies and 100+ presenters for our Mission Awareness Presentations (MAP talks.) The worship team from Wellspring Anglican Church in Colorado will be back by popular demand. Experience the beauty and tradition of the Anglican liturgy and sacraments daily. Engage with over 70 ministries in our exhibit hall, starting with an ice cream social on Thursday night. Bring a team or bring your family – there will truly be something for everyone at New Wineskins 2022.

NEW WINESKINS AS A STM TRIP: We encourage attendees to approach the New Wineskins Conference as you would a short-term mission trip. Most mission trips would require you to be away a week or longer, raise funds to cover airfare and trip costs, and spend time praying and preparing for what God might do in and through you on your cross-cultural experience. Attending New Wineskins is like a short-term mission trip on steroids with exposure to what God is doing not just in one location, but all across the globe. Divine appointments, healing, prayer and missional callings are always a hallmark of what makes this conference one not to be missed!
