JOY HOFMEISTER, 57 Democrat Certified Very Liberal

Changed from Republican to Democrat, Oct 2021 to make ballot

Hofmeister was Oklahoma Superintendent of Public Instruction (Education) 2016-2021 Under her leadership, ***Oklahoma Schools dropped TO THE BOTTOM in US School Rankings from 48th to 50th during her weak and liberal leadership. Oklahoma in 2021 ranks 33 average percent of math and reading for High School graduates from public schools across the state.***

Hofmeister, known for opening the door with her promotion of CRT, Common Core, Abortion, LGBTQ+...Z and a strong advocate for the NEA and arm OEA far-

left agenda.

LGBT PRIDE: Joy joined the ***OKC Pride Parade in SUPPORT of the LGBTQ+...Z (Sex with animals) with Debra Gist, Tulsa School Board Superintendent.*** Joy stated, "LGBTQ...Z and their allies have marched in to rally for equal rights. ***I was proud to be with friends and family at today's parade to support, listen and learn.***" [***#OKCPrideon39th***](#) Joy is against the Biological basis bathroom bill passed.

Pornography in Schools: State Attorney John O'Conner is investigating the Books in libraries of elementary school of perverted sexual acts by children was found and multiple parents were appalled and objected, yet school principals and Joy advocate this is ok. As a result, many bills in Congress have been presented to remove this over sexualize material harmful to children to even view, which is proven alters their brain and brings harm.

Joy Arrested: In May 2014, [political consultant and lobbyist Chad Alexander](#) working for Oklahomans for Public School Excellence (OPSE), a 501(c)(4) was pulled over for driving erratically. His car search, he was busted for possession of 3.35 grams of cocaine and possession of (oxycodone) without a prescription. This led to cell phone search which revealed texts of Hofmeister with OPSE.

On November 3, 2016, *Hofmeister was Arrested and Charged with two counts of violating campaign finance law, two counts of conspiracy to commit Felony to violate 21.187.1 & 2 plus Violation of Computer crimes along with her campaign manager Robert Fount Holland, Steven Crawford, Lela Odom, Stephanie Milligan. All five charges were considered to be felony offenses.*

Suspiciously & suddenly charges were dropped a year later by State Attorney Hunter, Joy stated in video, yet the Ethics committee stated they were not done. Prosecutors alleged that Hofmeister had violated the law by colluding with an outside political group, Oklahomans for Public School Excellence, during the 2014 campaign & received over limit of funds, citing emails and text messages found in a cell phone from a drug bust they claimed sent by Hofmeister, instructing outside group to run a series of negative campaign ads against opponent, Janet Barresi. Outside political groups are not required to disclose their donors ***but are forbidden from coordinating with candidates or their campaigns. Her ads against Stitt is corruption, yet her 32 page indicts a lot.***

Below is 32-page indictment. (Please read chain of E-mails)

https://www.batesline.com/archives/2016/11/05/Joy_Hofmeister-Fount_Holland-Lela_Odom-Indictment.pdf

NO Hiring Teachers: Per Legislative Office of Fiscal Transparency (LOFT) review report of OK K-12 school funding, Hofmeister spending for administration grew 40% from 2010-2021 in OK of approx. 26.4 million in salary & benefits, more than other states, with instruction increase 35%. With this admin amount, ***500 teachers could have been hired instead.*** With such poor School Report Cards, 33% in Reading & Math, with both Tulsa and OKC even much lower, Joy has failed the state miserably. Overhead of over 530 Superintendents with 6 figure salaries is outrageous in Oklahoma, if cut to 30, would free up 5,000,000.00 for increase of salaries to teachers and hiring others.

Huge amounts of Dark Money are coming into state to support her along with 5 tribes to protect their Money Making Business interest-gambling. She has spent over 20 million already plus more.

CHRIS POWELL

Libertarian

Liberal

<https://www.facebook.com/WeDontNeedA LtGov>

Chris Powell is a native Oklahoman who served in the United States Marine Corps Reserve and served in the Gulf War. Powell, a Libertarian has served as the Chair of the Libertarian Party in OK. Powell is 46 years old, lives in Bethany, with his wife and three children. Powell will not go on record if he supports abortion, but **he strongly supports 'aid in dying' laws which legalize assisted suicide and euthanasia.** . Powell wants to eliminate the very office he is running for, Lt. Gov. *Powell supports legalizing medical marijuana and is for complete decriminalization of marijuana. Powell is against School Vouchers, ESAs where money follows the student, it opens up the ability to go to a private school or any other school.* Powell wants to cut credits and subsidies, combine or close many state agencies and decrease the power the state has over education. Powell believes there are too many men/women in Oklahoma incarcerated for small crimes which he believes cost the state too much money. In many cases, we take somebody who had a small problem and when they come out, they're a big problem for the rest of us. It doesn't do them any good and it doesn't do the rest of us any good, Powell said.

MELINDA L. ALIZADEH-FARD

Democrat

LIBERAL

<https://www.melinda4ltgovernor.com/>

Melinda's FB has posts of advertising for drag queen show fundraiser for herself. Melinda is against school choice voucher claiming it affects rural areas, (which is not true) and agrees the public school have dismal ratings (*OK average is 33% for Math and Reading Graduates from High School, lowered 2021 to 50th in the Nation in Education*) School Voucher follows the child to the school of choice, opens ability to attend private schools, or another school etc. Melinda Alizadeh-Fard was born in Virginia and has lived 50 years in Ok. She earned a bachelor's degree from Texas A&M University 1984 in Photography, JD degree from the OKC University School of Law in 1999. Her career experience is immigration attorney, **Melinda has gone through the immigration process with her family members and worked with detained individuals.** She is running on a platform of transparency, integrity and accountability; however, she has yet to spell out how she will do this or give her stand on any of these issues. Therefore, it is assumed she will follow the liberal democratic platform for making decisions as she is another candidate that declares wrongs with no specific or proof and then how she would do something different or innovative. From her website, she says *"I have lived my life defending the rights of all Oklahomans, American Citizens, and those with a desire to live the American Dream and participate in the amazing thing we call democracy."* (We live in a Republic, not a democracy which an attorney should obviously know.)

ATTORNEY GENERAL

Drummond currently is a majority owner of BlueSky Bank (locations in Tulsa's midtown and downtown, Cleveland and Pawhuska), Bank of Cushing, Drummond Communications, LLC (US cellular largest provider), Post Oak Lodge and Retreat, an Osage County cattle ranch, and a twelve-lawyer firm. Mr. Drummond, a lawyer, has donated money to Joe Biden plus other Democrats, and has received money from Democrats. Drummond has given to 19 Democrat campaigns in past years.

Drummond appears to be pro-abortion through his giving to liberal candidates, such as the Democrat in the Tulsa Mayor's office. He gave to both liberal Democrats in both U.S. Senate, and State Senate. Drummond received \$74,250 from democrat donors for his campaign by *OCPA Article "Many of the overlapping donors made identical contributions to both Joy Hofmeister and Drummond's campaigns."* It seems he had a conflict of interest as he received millions for PPP loans for his businesses, but the problem is, he received some funds from the bank he personally owns major stock in. Another is an issue reported by The Oklahoman, a widow who claimed Drummond lied as attorney for ONB Bank, supporting the claim they had not paid their construction loan in full and tried to seize her life insurance from the death of her husband. A trial court awarded her \$2.25 million due to the seizure of the money. Drummond's law firm represents banking, business and employment clients, located in Tulsa.

Walters is an active school teacher at both Millwood and McAlester High

School. Similar to most of his Republican peers, Walters is against the teaching of critical race theory such as white supremacy in schools. **His campaign site said the state should "strive to fulfill Martin Luther King Jr's dream of judging people by the content of their character and not by the color of their skin."**

Ryan is standing up against the sexualization of children in the classroom and is calling for the firing of a teacher, Tyler Wrynn, ELA teacher at Will Rogers H.S. in Tulsa who recorded himself and posted to his facebook telling students "if your parents don't love and accept you, F..K them, I'm your parents now." Wrynn resigned in disgrace from Owasso Schools and was hired by Tulsa Debra Gist for Tulsa. Both Joy Hofmeister and Debra Gist have *not fired*, investigated or suspended this teacher, instead states to go after the person who recorded him.

<https://www.youtube.com/watch?v=C8a6kSmrT5E> Ryan asks for Tulsa Schools to be lowered due to pornography in the school and teaching of CRT after Bill passed to stop.

JENA NELSON, 44 Democrat Very Liberal

Nelson has spent 16 years in public education teaching subjects only English and theater. She teaches at Deer Creek Middle School Drama and theater but says *she would teach anything but Math*. Her website indicates she is absolutely against School Vouchers (Vouchers makes it possible for every child would have

the chance to go to a private school or another school to be trained and successful as the state money follows the student.) Nelson supports Democratic candidate for Governor Joy Hofmeister's educational reform plan which includes LGBTQ.....Z (sex with animals), and which is now giving a promise being proposed , just before an election, of a \$5000 teacher salary raise, which could have happened in last few year, but they are not buying votes - coincidence?

We strongly support Planned Parenthood not only for its efforts to channel fetal tissue into important medical research but also for its other work as one of the country's largest providers of health care for women, especially poor women.... The contraception services that Planned Parenthood delivers may be the single greatest effort to prevent the unwanted pregnancies that result in abortions....

We are outraged by those who debate these women, this work, and Planned Parenthood by distorting the facts for political ends."

Stephanie Bice is running for a second term in Congress. She served in the Oklahoma Senate before winning her seat in Congress in 2020. Before that, she worked in her family's technology business and ran a marketing company. Bice voting record on 2021 bills is alarming. Stephanie voted for \$50 Billions for "climate change" Bill HR 3593 (RC187) and Voted to institute the January 7th commission Bill RC-154, then was appointed to the commission by Pelosi. To date the commission has not raised an issue to release people in jail in Washington without charges for over one year nor even addressed the unconstitutionality of it. Voted for Government Tracking System through Vaccinations Infrastructure Moderation Act (RC-388). Voted YES to HR656 to give 800 million to Ukraine and secure their borders when we have open borders. Voted YES S475 **Juneteenth Federal Holiday, as new "National Independence Day."** Seeing as slavery ended December 6th, 1865, not June 19, the inclusion of the words "National Independence Day" to Juneteenth creates the appearance of supplanting July 4 as America's Independence Day. This perpetuates a false and dangerous notion that the United States has different days of independence depending on one's race or ancestry and is consistent with the communist tactic of "dividing the people" along racial lines. NO on HR6833 to cap insulin at \$35 a month. NO on HR2062 to give extra discrimination protections in the workplace to the elderly. NO on HR4673 vets automatically being enrolled into healthcare. YES to HR7691 to give \$40 billion to Ukraine and secure their borders when we have open borders. NO on S610 protecting Medicare and Farmers from Sequester cuts. HR 567 06/29/2021 **North and West Africa Interventionism** **She Voted Yes** - The U.S. Constitution does not authorize Congress or the Executive Branch to enter into permanent military alliances (which could result in dragging United States into a war), provide or facilitate social services in foreign countries, or protect the borders of countries overseas, especially when our national borders remain unprotected.

KEVIN GRAY 44

REPUBLICAN

YES

Kevin Gray is an Assistant Tulsa County District Attorney in the Criminal Division under Tulsa DA Steven Kunzweiler. Gray for last 11 has been Director of the Homicide Unit, lead prosecutor on some of the most severe and high-profile murder cases. He is winner of the "Top Gun Award" in 2020 as outstanding prosecutor. Gray has a double major in history & political science from TU with a Master's from Texas A&M and J.D. from TU Law School. Few elected offices are as important as a District County Judge. Judges must be completely honest, know the law and must administer it fairly. Gray is smart, honest, believes in law and order and wants to help people. Kevin was attacked and hit by a man in the head twice with water thermos right after Judge read his conviction

for Murder in 1st Degree. Gray said he forgives the man as in this business, in a murder trial, there is loss on both sides and emotions run high, but all can be lulled to sleep that these kind of things can't happen in the courtroom. Both DA Kunzweiler & Tulsa Beacon endorsed Gray.
