

**2023 Annual Plant Sale
at the Oregon Ag Fest
April 29 – 8:30 am-5:00 pm
April 30 – 10:00 am-5:00 pm**

The Annual Ag Fest Plant Sale is back! We are excited to announce that the Chemeketa Horticulture program is going to continue the Annual Ag Fest Plant Sale. All net proceeds from the sale will go to our Educational Partners and Chemeketa Horticultural Program.

Our success at raising money for our Educational Outreach and Program Support begins with your generous donation of fabulous plant material. We are dependent on your support in this program. We also welcome anyone wishing to volunteer their time to answer plant questions and facilitate plant sales.

We have found that blooming plants move the best, though all plants are needed and welcome. Please label all plants so we know what they are. Please include an invoice along with your donation so we know your support and we can provide you with a receipt for tax purposes.

Thank you for your generous donations of beautiful plants and your valuable time!

We will donate plants and deliver them on April 28th to:
