

Dear PPP Borrowers:

The NMSDC Business Consortium Fund “BCF” has partnered with First Bank of the Lake “FBOL” to allow our MBEs to apply for the first and second PPP loans. FBOL serviced over \$500MM worth of loans in the first round, and is currently accepting applications for the second round.

What this means for you:

- Quicker turnaround times as FBOL was one of the top lenders in processing PPP loans in the first round.
- The process is fully automated and will only require a “wet ink” signature upon your receipt of the closing package prior to disbursement.
- You will be required to upload all requested documents in the FBOL loan portal. All customer service is handled directly on the website through FBOL.
- You will get your money much faster as long as you meet the qualifications and provide the requested documents.
