## FOREVER A COUGAR

### UPCOMING REUNIONS

#### CALLING ALL COUGARS!

This year we have re-vamped our Alumni Department!

We have grown our social media presence by adding an Instagram & Twitter account. We re-designed the Alumni Committee within SJB's Board of Advisors, and we are working towards creating a cleaner, updated, and more efficient Alumni Database. We thank you for all your support, and looking forward to continuing to have Alumni involved in future events!

Currently, we are seeking volunteers from each of the above classes to help in the organization of your Class' Reunion.

Tasks involve: choosing venues, outreach to your class, collecting payment, finalizing details, availability to answer questions throughout the planning process.

Ideally, we would like to have a committee of a few graduates per class who will work together in planning their year's event.

If you would like to help plan your class' reunion, please email us and someone from the Alumni Department will reach out to you during the summer break! [alumni@sjbdhs.org](mailto:alumni@sjbdhs.org)

#### LEGACY FAMILIES

If you are a part of an SJB Legacy Family, please be sure to let our Alumni Department know!

Send us an email: [alumni@sjbdhs.org](mailto:alumni@sjbdhs.org)

A Legacy Family is defined as multiple people in your family having graduated from SJB (yourself, your child, their sibling, your sibling, an aunt, uncle, grandparent, and even cousins!)

Legacy Families are honored in the SJB Commencement Booklet at graduation each year, and are invited to take an "immediate family" photo at graduation!

There may also be opportunities in the future to be part of Legacy Family focused events!

### A MESSAGE FOR THE CLASS OF 1970 ALUMNI

The Class of 1970 is starting preparations for their 50th Reunion, to be held in 2020. To help create the best possible event, class members are working to locate and account for every class member to develop a complete and accurate directory.

We have accounted for over half of the class but there is still a lot of work to do.

If you are a Class of 1970 member and have not yet been contacted, we are looking for you. If you are a child, relative or friend of a 1970 classmate, please let them know that we are searching for them. Bob Paine is developing the directory and he can be reached at [bpaine888@aol.com](mailto:bpaine888@aol.com) or 818-613-8880 (Phoenix, AZ). Please be sure to include your current address, phone, maiden name (if applicable) and email contact information.
