Senate Appropriations Committee Summary
NOTE: Relevant agencies have begun releasing guidance on accessing benefits in this bill. Timing for the guidance will vary depending on the provision.

Key provisions across federal departments and agencies of interest to Counties, Municipalities, & Public Entities as follows:

**Agriculture**
- SNAP – $15.5 billion in additional funding for children, adults, and seniors. This will serve as a contingency fund in part to support increases in program participation that are expected. The contingency fund will be available through September 2021.
- Child Nutrition – $8.8 billion in additional funding for Child Nutrition Programs in order to ensure children receive meals while school is not in session.
- The Emergency Food Assistance Program (TEFAP) – $450 million in assistance to local food banks including $150 million for distribution of commodities.

**Commerce**
- Economic Development Administration (EDA) –$1.5 billion for economic adjustment assistance to help revitalize local communities after the pandemic. Funds can be used to help rebuild impacted industries, capitalize local funds to provide low-interest loans to businesses of all sizes, and support other locally identified priorities for economic recovery.

**Justice**
- State and Local Law Enforcement –$850 million for the Byrne-Justice Assistance Grant Program (Byrne-JAG). Funds will allow state and local police departments and jails to meet local needs, including purchase of personal protective equipment and other needed medical items and to support overtime for officers on the front lines. Language is included to ensure these resources go out to states and localities quickly in order to immediately respond to this crisis while avoiding Trump Administration bans on funding for sanctuary cities.

**Small Business Administration**
- $562 million to ensure that SBA has the resources to provide Economic Injury Disaster Loans (EIDL) to businesses that need financial support during this difficult time. These loans
will help businesses keep their doors open and pay their employees. Private non-profits are also eligible for both grants and EIDLs.
  - Loans can be made based solely on credit scores.
  - Loans below $200,000 can be approved without a personal guarantee.
  - Borrowers can receive $10,000 cash advances that are forgiven if spent on paid leave, maintaining payroll, increased costs due to supply chain disruption, mortgage or lease payments, or repaying obligations that cannot be met due to revenue losses.
  - Loans available to all non-profits, including 501(c)(6)s.

- Requires the SBA to pay the principal, interest, and any associated fees that are owed on covered loans (other than the new Paycheck Protection Program loans) for a six-month period starting on the next payment due. Loans that are already on deferment will receive six months of payment by the SBA beginning with the first payment after the deferral period. Loans made up until six months after enactment will also receive a full 6 months of loan payments by the SBA.

**Loan Programs and Credit Facilities**

- $500 billion for loans and loan subsidies and support for Federal Reserve credit facilities.
- Allows Federal Reserve to purchase corporate, state, and municipal bonds.
- In addition to whatever other loan facilities might be created, the Treasury Secretary will “endeavor to seek the implementation” of a Middle Market loan facility for banks to provide loans to businesses and eligible nonprofits with 500-10,000 employees.
  - Interest rate will be no more than 2% with no principle or interest paid for the first 6 months.
  - Funds must be used to retain 90% of workforce at full wages and benefits through September 30, 2020 and intends to restore 90% of workforce on hand on February 1, 2020.
  - No buybacks or dividend payments through the life of the loan.
  - No outsourcing or offshoring of jobs for the life of the loan and 2 years thereafter.
  - Recipient will not abrogate collective bargaining for term of the loan and two years. Will also remain neutral in union organizing activities.
  - (NOTE: this could be one of many loan facilities created and no borrower is required to use this particular facility.)
- Federal Reserve authorized to create a Main Street Lending Facility for small and mid-sized businesses

**Homeland Security**

- $45 billion for the FEMA Disaster Relief Fund to provide for the immediate needs of state and local governments to protect citizens and help them recover. Reimbursable activities may include medical response, personal protective equipment, National Guard deployment, coordination of logistics, safety measures, and community services.
• Assistance to Firefighter Grants – $100 million for personal protective equipment.
• Emergency Management Performance Grants – $100 million for state, local, territorial, and tribal governments to support coordination, communications, and logistics.

Health and Human Services
• Centers for Disease Control and Prevention - $1.5 billion to support States, locals, territories, and tribes in their efforts to conduct public health activities, including:
  o Purchase of personal protective equipment, surveillance, laboratory testing and contact tracing to identify additional cases; and infection control and mitigation at the local level to prevent the spread of the virus.
  o Grant funding may also be used to grants for the rent, lease, purchase, acquisition, construction, alteration, or renovation of non-federally owned facilities to improve preparedness and response capability at the state and local level.
• Head Start - $750 million for Head Start to meet emergency staffing needs.
• Administration for Community Living – Aging Disability Services Programs - $955 million. Of this amount:
  o $820 million for Older Americans Act programs, including:
    ▪ $200 million for in-home support services.
    ▪ $520 million for senior nutrition programs.
    ▪ $100 million for family caregiver services.

Transportation
• Transit systems - $25 billion is provided to public transit operators to protect public health and safety while ensuring transportation access to jobs, medical treatment, food, and other essential services remain available during the COVID-19 response.

Housing and Urban Development
• Community Development Block Grants - $5 billion to enable nearly 1,240 states, counties, and cities to rapidly respond to COVID-19 and the economic and housing impacts caused by it, including the expansion of community health facilities, childcare centers, food banks, and senior services.
  o $2 billion will be allocated to states and units of local governments that received an allocation under the fiscal year 2020 CDBG formula.
  o $1 billion directly to states to support a coordinated response across entitlement and non-entitlement communities.
  o $2 billion will be allocated to states and units of local government, cities and counties based on the prevalence and risk of COVID-19 and related economic and housing disruption.
  o Please note: the bill eliminates the cap on funds a grantee can spend on public services, removes the requirement to hold in-person public hearings in order to comply with
national and local social gathering requirements, and allows grantees to be reimbursed for COVID-19 response activities regardless of the date the costs were incurred.

- Emergency Solutions Grants – $4 billion for people who are homeless or at risk of homelessness, and to support additional homeless assistance, prevention, and eviction prevention assistance.
  - $2 billion to be allocated under the current formula to assist state and local governments with homelessness prevention.
  - $2 billion to be allocated based on a new formula developed by the HUD Secretary factoring the number of homeless and those at risk of becoming homeless.
- Rental assistance - $3 billion is included for housing providers to help more than 4.5 million low-income households made up of more than 9.6 million individuals currently assisted by HUD to safely remain in their homes or access temporary housing assistance.

**Unemployment Programs**

- Extend unemployment insurance by 13 weeks and include a four-month enhancement of benefits
- Unemployment compensation is available for those not eligible for regular UI, including those who may have exhausted benefits.
- An individual must provide certification that he or she is able and available to work, but is unemployed or underemployed due to:
  - Coronavirus diagnosis or presentation of symptoms and seeking medical attention.
  - A household member with coronavirus diagnosis.
  - Caring for a family member who has been diagnosed.
  - School or daycare closures and the individual is the primary child caregiver.
  - Workplace lock-down.
  - Advice from a health care provider to self-quarantine.
  - The individual was about to start a job that is no longer available because of coronavirus.

  - The individual had to quit because of a circumstance resulting from coronavirus.
  - The individual’s place of work is closed because of coronavirus.
- These provisions do not apply to an individual who can telework with pay.
- These provisions do not cover someone getting paid sick or paid family leave.
- The unemployment provisions run from January 27 to December 31, 2020.
- Receipt of assistance under the unemployment provisions shall not exceed 39 weeks unless otherwise extended.
- No one week waiting period.
- The federal government will pick up 100% of the cost.
• Upon agreement between a state, an additional $600 per worker per week unemployment compensation payment is available.
• This compensation is 100% covered by the federal government.
• The additional payment sunsets on July 31.
• The federal government will pick up the cost for any states that waive the one-week waiting period. This sunsets on December 31, 2020.

**Treasury**

• Coronavirus Relief Fund - $150 billion for states, territories, and tribal governments for expenditures incurred due to the public health emergency with respect to COVID-19 in the face of revenue declines, allocated by population proportions.
  - Distribution is based on population. No state shall receive a payment for fiscal year 2020 that is less than $1.25 billion.
  - 45% of a state’s funds are set aside for local governments with populations that exceed 500,000 allowed to apply directly to receive such funding. Certified requests are to be made to the U.S. Secretary of Treasury.
  - Certification requires a signature by the chief executive of the local government that the uses are necessary expenditures related to the epidemic, that the expenses were incurred between March 1, 2020 and December 30, 2020, and that the expenses were not accounted for in the budget most recently approved as of enactment.
• Recovery Rebates - All U.S. residents with adjusted gross income up to $75,000 ($150,000 married), who are not a dependent of another taxpayer and have a work eligible Social Security number, are eligible for the full $1,200 ($2,400 married) rebate. In addition, they are eligible for an additional $500 per child. The rebate amount is reduced by $5 for each $100 that a taxpayer’s income exceeds the phase-out threshold. The amount is completely phased-out for single filers with incomes exceeding $99,000, $146,500 for head of household filers with one child, and $198,000 for joint filers with no children.
• Business lending and supports: $454 billion for loans, loan guarantees, and investments in support of the Federal Reserve’s lending facilities to eligible businesses, states, and municipalities.
• Creates a $500 billion Economic Stabilization Fund that authorizes the U.S. Treasury to purchase obligations of states, local governments and political subdivisions of them, to cover losses incurred as a result of COVID-19. This allows the Federal Reserve to participate as an investor in securities that mature in greater than six months.

**Election Assistance Commission**

• $400 million to provide grants to states for assistance related to COVID-19 response and the 2020 election cycle.
