Spring 2026

Teaching to Teach Apprenticeship Program

OKLAHOMA CareerTech

Oklahoma CareerTech and the Regional University System of Oklahoma have launched the Teaching to Teach Apprenticeship Program to provide teachers with education training at a regional university and on-the-job training under a mentor at their school districts or early learning centers.

For more information, Scan Here

Program Information

The Teaching to Teach Apprenticeship Program is available for the 2025 – 2026 academic year. This scholarship is intended to reimburse you for out-of-pocket costs associated with pursuing your education requirements. The amount will vary depending on the remaining tuition and books balance. Program spots are on a "first-come, first-serve" basis.

Eligibility

- Minimum 2.0 GPA
- Actively employed at an Oklahoma school district, technology center, or early learning center
- Participation requires employer commitment to support apprenticeship on-the-job learning and mentorship
- Pursuing alternatively certified, emergency certified, and/or standard certification
- Enrolled at an approved Regional University System of Oklahoma (RUSO) university in an education/teacher preparation degree or certification program.

ECU · NSU Northeastern State University · Northwestern Oklahoma State University · Southeastern SE · SWOSU Southwestern Oklahoma State University · UCO University of Central Oklahoma

Job post summary

Date posted: January 12, 2026

Pay: $20.00 - $22.00 per hour

Job description:

Job Overview

We are seeking a proactive and skilled **Maintenance Technician** to join our dynamic team! In this vital role, you will be responsible for ensuring the optimal operation and maintenance of our facilities. Your expertise will help us maintain a safe, efficient, and reliable environment, supporting our commitment to excellence. The ideal candidate is energetic, detail-oriented, and possesses a strong foundation in mechanical, electrical, and facilities maintenance. You will play a key role in troubleshooting issues, performing repairs, and implementing preventative maintenance strategies to keep operations running smoothly.

Duties

Perform routine inspections and preventive maintenance on manufacturing equipment, electrical systems, and facility infrastructure

Troubleshoot mechanical, electrical, and control system issues using schematics, Ohmmeters.

Conduct and perform residential painting as needed to maintain facility aesthetics and safety standards

Read and interpret technical schematics, wiring diagrams, and maintenance manuals to accurately diagnose problems

Supervise junior technicians or apprentices during maintenance tasks while ensuring safety protocols are followed

Lead facilities maintenance projects with a focus on safety, quality, and efficiency while providing excellent customer service to internal teams

Requirements

- Proven experience in facilities or manufacturing maintenance with a strong mechanical knowledge base
- Hands-on experience with electrical systems, schematics, and troubleshooting using tools like Ohmmeters
- Hands-on experience with plumbing maintenance and service.
- Minimal fire suppression system knowledge.
- Skilled in residential painting for repair or aesthetic purposes
- Ability to read technical schematics and mechanical drawings accurately
- Previous supervisory or leadership experience in a maintenance setting preferred
- Excellent communication skills in English to effectively collaborate with team members and report issues
- Strong customer service orientation with the ability to prioritize safety and quality in all tasks
- Must be able to lift 50+ lIbs and stand on cement long periods of time.
- Join us as a Maintenance Technician where your skills will directly impact our operational excellence! We value energetic professionals eager to contribute their expertise in a fast-paced environment. If you thrive on solving complex problems with precision and enthusiasm, we want to hear from you!
- Job Type: Full-time
- Benefits:
- Dental insurance
- Flexible spending account
- Health insurance
- Health savings account
- Life insurance
- Paid time off
- Retirement plan
- Vision insurance
- People with a criminal record are encouraged to apply
- **Experience:**
- Maintenance: 1 year (Preferred)

Dental Assistant

Dental - Oklahoma City, Oklahoma

DENTAL ASSISTANT: The Dental Assistant will understand and model the mission of NSO. The DA will understand and practice NSO's policy on confidentiality in respect to all NSO information. The DA will exhibit professional behavior in all facets of work at NSO. The DA will exhibit teamwork with all NSO staff. The DA will work with the dentist and other team members to increase the efficiency of the dentist in the delivery of quality oral health care by performing tasks that require both interpersonal and technical skills.

ESSENTIAL FUNCTIONS

- Assisting the dentist during a variety of treatment procedures
- Taking digital x-rays with the use of snap-a-ray sensor holders
- Review patient medical history
- Take blood pressure and pulse
- Work closely with the infection control officer to maintain infection control protocol
- Preparing and sterilizing instruments and dental equipment
- Ensure patients feel comfortable before, during and after dental treatment
- Ensure patient received written instructions for care following dental surgery or other dental treatment procedures
- Apply topical drugs prescribed by a dentist
- Take impressions or a digital scan of patients' teeth for study casts
- Communicating with the dentist and patient to schedule follow up appointments
- Place or remove celluloid, plastic or metallic strips between teeth for subsequence placement or filling by the dentist
- Place or remove rubber dam under supervision of a dentist
- Provide suction/evacuation function
- Assist with maintaining patient charts, clinic progress notes, and NSO clinic records
- Other assigned duties

MINIMUM JOB REQUIREMENTS

- Must effectively communicate in English orally and in writing.
- Must possess a valid dental assisting permit from the Oklahoma Board of Dentistry
- Must have X-ray certification
- Nitrous certification preferred
- Coronal polishing and Fluoride application certification preferred
- Sealant application certification preferred
- Must possess a valid Healthcare Provider CPR certification.
- Experience working with the homeless and underserved population preferred.
- Clearance of background check and drug screen. This is a Safety Sensitive Position and therefore is not subject to the protections of the Oklahoma Medical Marijuana and Patient Protection Act.
