Welcome to this year's volume of the "Kitta Daled Times"! This fun and informative newsletter will fill you in on the happenings here in the world of 4B. Sit back, relax and enjoy!

This week in **חומר** we started with a super speedy review of **תולדות** and **ויצא**. Baruch Hashem, we remembered what we learned last year and we were ready to dive into **פרק** as he was heading to **פראת** and was preparing to meet his brother **עשו**. We discussed the relationship between **יעקב** and **עשו** and why **יעקב** was concerned with the meeting. We saw how **יעקב** did everything in his power to greet his brother **בשלום**. He sent a message to **עשו** that was finely crafted to calm his anger. Part of the message was "I lived with **לبن**". We took the word **גמטריה** and saw that in it equals 613. **יעקב** was sending a message to **עשו** that even though he had lived in the house of **לبن** this whole time, he still kept the 613 **מצוות**. The **מצוות** protected him from the influence of **לبن**'s bad ways. We discussed this lesson as well as the lesson of how keeping **מצוות** protects us from influence of bad things that are around us.

**אלול** is here and we have started discussing the themes of the month. This week we focused in on how **אלול רצון**. It is a time when Hashem is extra close to us and is waiting for our **Tefillos**.

Have a Great Shabbos!
