

Bais Yaakov Elementary School Presents

# STEM

expo

The word 'STEM' is written in large, colorful letters: 'S' is red, 'T' is blue, 'E' is orange with a yellow hard hat on top, and 'M' is purple. Below the letters, the word 'expo' is written in a black, hand-drawn, cursive font. Various STEM-related icons are placed around the letters: a microscope next to the 'S', an astronaut next to the 'T', a yellow hard hat on top of the 'E', and two grey gears and a yellow ruler next to the 'M'. The background features a red and purple diagonal design with a grey and white checkered pattern.

Sunday, May 15th  
10:00 - 11:30 am

Tuesday, May 17th  
6:30 - 8:00 pm
