Bais Yaakov High School Carpool Form 5779/2019-2020

Once again, high school afternoon pick-up for the coming year will be according to designated, numbered slots. A designated slot is needed for all regular pickups, <u>even for individual students</u>. **If your carpool is driven by a high school student driver on a daily basis, please indicate so on the form so that we do not unnecessarily give up a regular carpool slot.** Please complete the form below and submit it to the high school office by Monday, August 19.

STUDENTS BELOW TWELFTH GRADE MAY NOT BRING CARS TO SCHOOL, EXCEPT FOR AFTER SCHOOL PROGRAMS.

Beginning August 20, more desirable spots will be distributed on a first come-first served basis.

If someone else in your carpool has submitted the general information, you may leave the box blank. In this case, fill in only the information about your family's vehicle(s).

Please avoid driving through Mt. Washington, as this disturbs the quiet on the small, narrow streets of our neighbors. It is important to us to keep up excellent and cooperative relations with them.

Please note: We request that middle schoolers of mixed middle school-high school carpools should not be dropped off at the high school in the mornings, but at the designated <u>middle school</u> spot. Our traffic is too congested to accommodate more than the high school students. Thank you for your cooperation.

*****Please put a star next to the vehicle that is a **large** van.*****
