The Bais Yaakov Eva Winer High School is certified by the Maryland State Department of Education. In accordance with State guidelines, we are hereby summarizing pertinent information about the high school for both current and prospective parents.

In accordance with State guidelines, a student must obtain 21 credits in order to receive a Bais Yaakov Diploma. A credit is generally granted for a class that meets on a daily basis, with partial credits prorated, depending on the frequency of class meetings. The high school provides the necessary coursework and hours to achieve the requirement of 21 credits for each student. Our average class size of 18-25 students, our school year of 170+ days and our staff of seminary trained and degreed Kodesh teachers, and college trained and degreed General Studies teachers, ensures an atmosphere of warmth, high standards and attention to the individual needs of our large, diverse student body. Bais Yaakov admits female students of the Jewish faith and does not discriminate on the basis of race, color, or national origin. We are proud of our goal of providing an excellent Torah and general education for all young Jewish women who attend our school, both natives of our city and those from beyond. In accordance with State guidelines, the school's daily timetables appear on the reverse.

In accordance with Maryland State regulations, a Bais Yaakov High School Mission Statement is enclosed.
