

Omaha **DCI**
Downtown Improvement District

BE A GOOD NEIGHBOR. KEEP IT CLEAN.

Let's keep DOWNTOWN OMAHA fresh, inviting, and cared for—
from your doorstep to the curb.

A CLEAN AND NEIGHBORLY SIDEWALK
reflects the pride we share in this place we all call home.

SIMPLE STEPS THAT GO A LONG WAY:

1. Sweep your sidewalk and curb area regularly
2. Pick up litter and cigarette butts
3. Place a trash can and/or butt receptacle outside your entrance

QUICK REMINDER - CITY CODE SEC. 18-23:

Business and property owners are responsible for keeping their sidewalks clean and must provide trash receptacles for customer use.

4. Keep takeout packaging and napkins from blowing away
5. Power wash when needed — and we can help!

WE'VE GOT YOUR BACK!

ODIDA is offering a limited number of **FREE** one-time power washes for storefront sidewalks.

EMAIL: info@omahadowntown.org to claim yours!
