

BARN NEWS 2026

The “Barn Sale” had another successful season, with \$4,986 in sales. These funds go back into the community by supporting local missions, including the food pantry.

The community looks forward to the sales. Many regular customers, as well as tourists, attend. Visitors are amazed by the beauty of the barn and its history. the “Barn Sale” is expected to continue in 2027.

Three sales are scheduled during the summer. The sales are made possible by your donations. Over the years, donations have decreased and our shelves are depleted. Your assistance is needed to keep the sales going.

Donations are collected all year. When you are ready, call Jan at the church office at 631-765-2597 or Sue at 631-765-5638 to arrange a drop-off at the barn.

There is a donation list available to give an idea of the kinds of items that sell and do not sell. If yours is not on the list, it's probable that it's sellable. If in doubt, give us a call. Preparing for each sale is rewarding work.

There is a committee of 4 (Jan, Carol, Linda, and Sue) currently. Volunteers are needed to sort through the donations, dust/clean items, keep the tables and floor free of debris, and attractively stage the tables. Others are needed before and after the sale to move items out and into the barn. If you are interested in volunteering, contact Jan or Sue Many thanks to those who donate to make our sales possible and to many more years of giving back to our beautiful community!
