

Audi Tire Center: Build-to-Order Wheel Packages

In-stock and ready to order, **Build-to-Order Wheel Packages** feature a variety of assemblies for select Audi models. Assemblies are not eligible for return.

Build-to-Order Wheel Packages are customizable

and can be fitted with all-season, summer, or winter tires so you can meet your customers' wheel and tire needs, no matter the season.

Additional benefits:

Increased unit sales and revenue that count toward parts objectives

Upgraded accessory appearance for customers without a trim upgrade

Wide variety of competitively priced tire options

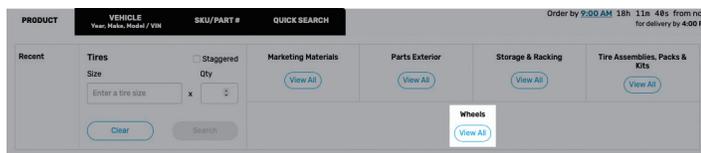

Selection of exclusive OE wheels in stock

Ready to roll? The Build-to-Order Wheel Packages on the next page are available to order on Audi Tire Center through AccessAudi.com. Follow the order instructions below to place your order today.

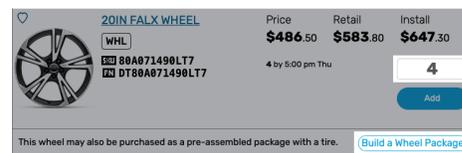

Step 1

At the top of your homepage, locate the **Wheels** section and click **View All**.

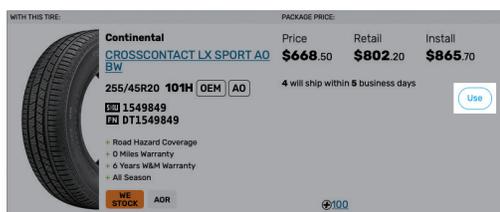

Step 2

Choose your preferred wheel from the list of options, enter **4** for the quantity and click **Build a Wheel Package**.

Step 3

Your selected wheel will appear at the top of the next page, followed by available tire options for that wheel. The list will default to select the first tire option; to select a different tire, locate your preferred tire and click **Use**.

Step 4

Once you've selected your package, click **Add** at the top of the page to place your order.

For more information, please reach out to your account manager, visit the Help section on Audi Tire Center through AccessAudi.com, or contact Audi Tire Center Program Headquarters at 866.4TR.AUDI.
