

Caregiver Support Presentation

Are you a family caregiver?

Do you...

- Take a relative, spouse, neighbor, or significant other to medical appointments or shopping?
- Prepare their meals for them?
- Clean after them?
- Make sure they take their medication or use medical devices?
- Supervise them because they cannot be left alone?
- Pick up medications, food, or other necessities for them?

If so, you are a family caregiver

Oak Park & River Forest Township Senior Services offer services for family caregivers who live in the area to support them in taking care of their loved ones without getting burned out
