

Invest in Austin!

Banking for a Greater Good

Austin needed a credit union...

Banks in Oak Park :16 💰💰💰💰💰💰💰💰💰💰💰💰 [1 per 3,200 residents]

Banks in Austin :1 💰 [for all 97,900 residents]

and The Leaders Network partnered with the Great Lakes Credit Union to provide one.

Why should you bank at the Leaders Network branch of the GLCU?

- A Win Win for All.
- Austin gains investors.
- You gain access to a full range of banking services and entrust your money to a not-for-profit credit union that lives out its motto **“Banking for a Greater Good”**.
- The Leaders Network branch of GLCU provides financial literacy education and a full-time financial counselor to serve all Austin residents, regardless of their membership in the credit union.
- In 2021, congregants from Unity Temple donated \$6,500 to The Leaders Network initial fund-raising campaign, making our church part of the credit union's Founders Circle.

Let's continue to support the credit union by becoming members!
